## KUBOTA Corporation is . . .

Since its inception in 1915, KUBOTA Corporation has grown to rank as one of the major firms in Japan.

To achieve this status the company has through the years diversified the range of its products and services to a complete line of agricultural, construction and industrial products over 1,000 different items, large and small.

As these products and all the services which accompany them, however, are unified by one central motivation, KUBOTA makes products which, taken on a national scale, are basic necessities. Products which are indispensable. Products which are essential to many individuals and nations build the potential inherent in their environment. KUBOTA is the Basic Necessities Firm.

This potential includes water supply, food from the soil and from the sea, industrial development, architecture and construction, and transportation.

Thousands of people depend on KUBOTA's tractors, bulldozers, excavators and customer service. This too can depend on KUBOTA.
