CSI Miami Harm For the Holidays 2 Donn Cortez,2012-12-11 A ship pauses in Miami on a winter holiday cruise What could be more ordinary Until that is the ship s magician is accused of murder and identified as a terrorist known as the Hare But there s only one problem he has an airtight alibi At the time of the killing he was on board ship miles away from the crime scene performing in front of several hundred witnesses While the Miami Dade Crime Lab pulls out all the stops to find the real Hare Lieutenant Horatio Cane narrowly escapes death when a missile blows up his Hummer There is clearly more than a simple murder at stake could this be the opening salvo of a more sinister terrorist plan **Harm for the Holidays:**

**Misgivings** Donn Cortez,2006-11-28 Christmas in Miami the city is wrapped in its own unique festive cheer and countless children breathlessly await the arrival of Santa Claus Except this year there are hundreds of Santas Miami has been invaded by the Red Menace An annual gathering of hundreds of red suited jolly old fat men and women swarm over the city comical and annoying until one of them turns up dead In what should be a time of goodwill to all the Miami Dade Crime Lab finds that what appears to be the simplest of crimes hides darker motives Who would want to kill Santa Who would go to such lengths to conceal the identity of a victim that they would decapitate him and remove both his hands And how does a simple convenience store robbery suddenly spiral into an international incident of kidnapping and murder **CSI Miami: Cut and**

**Run** Donn Cortez,2012-12-11 Murder and smuggling are just the beginning in the seventh novel based on the global smash hit CSI spin off series In a field outside the Everglades a hot air balloon comes to land the lone passenger in the basket dead an apparent suicide Then a bullet riddled yacht limps into the Port of Miami where the sole survivor a gravely wounded hijacker reveals that there are illegal drugs on board It s just another day for the Miami Dade CSI team until the body count is added to by the death of a well known local writer Before long Horatio Caine and his team are caught up in a dangerous web of intrigue and murder that reaches all the way to Castro s Cuba **CSI Miami: Right to Die** Jeff Mariotte,2012-12-11

Adrug buy goes bad an innocent bystander is fatally shot and a local gang blames their rivals and vows vengeance Unless Horatio Caine and his team can find out who was the shooter they are going to have a gang war on their hands Meanwhile a domestic terrorist who goes by the name of Baby Boomer blows up the home of a prominent Miami doctor and the Feds are asking Caine to help them locate the bomber The team is stretched to the limit with these two high profile cases both of them in the unrelenting glare of the media spotlight *CSI: Headhunter* Greg Cox,2008-10-28 A package with no return address

is delivered to the University of Nevada s anthropology department and a genuine shrunken head is inside At first Gil Grissom and his team consider it a grisly relic but soon evidence points out that it is in fact a modern day murder Original

**CSI In Extremis** Ken Goddard,2012-12-11 Aruthless and expertly trained contract killer is on assignment in Nevada s remote Desert National Wildlife Range and he deliberately sets in motion a series of seemingly unconnected events that will test the skills of Gill Grissom and his team of CSIs Catherine Willows Nick Strokes Warrick Brown Sara Sidle and Greg

Sanders to their limits For all is not as it appears in this federal refuge as law enforcement and lawbreakers alike are quickly caught up in a growing crime scene that leads to a deadly game of one upmanship CSI: Nevada Rose Jerome Preisler,2008-06-24 Nevada Rose Demille was one of the most beautiful and desired sports groupies in Las Vegas a fixture at the trendiest casinos and clubs on the Strip But the endless party came to a tragic end the morning her nude body was found bound and gagged in her home As crime scene investigators Catherine Willows and Warrick Brown dig deeper all roads and a growing media circus lead to Mark Baker a k a The Fireball a hard throwing Cooperstown bound major league pitcher and fancier of gorgeous women who recently conducted a very public affair with one Nevada Rose Demille Meanwhile miles away on the grounds of a world class championship golf course Gil Grissom is probing the macabre discovery of a John Doe an intense investigation that will unearth a bitter sibling rivalry twisted by jealousy and distrust over a Nevada Rose of a very different nature CSI NY: Four Walls Keith R. A. DeCandido,2012-12-11 Detectives Mac Taylor Danny Messer Sheldon Hawkes and Don Flack are called in to investigate a double homicide at a medium security facility on Staten Island The prison has been witness to a lot of racially motivated tensions and it appears that things have finally boiled over in a lethal fashion One of the murders seems to be an open and shut case a prisoner gets a shiv in his ribs and everyone sees it happen but the other is more of a puzzle At first glance it appears that the victim was killed with a blunt instrument to the head while he was working out in the weights room but the CSI team s lab work uncovers something very different Meanwhile Detectives Stella Bonasera Lindsay Monroe and Jennifer Angell look into the murder of a young woman who worked at a popular Italian bakery in the Bronx There s a likely suspect one who s been seen flirting with the victim and has a rap sheet for attempted rape but Stella isn t sure that everything is what it seems CSI: New York: Four Walls Keith R. A. DeCandido,2008-04-29 Detectives Mac Taylor Danny Messer Sheldon Hawkes and Don Flack are called in to investigate a double homicide at a medium security facility on Staten Island Racial tensions turned the prison into a pressure cooker that finally boiled over in an all too lethal fashion leaving two inmates dead One of the killings is an open and shut case complete with eyewitnesses but the other the murder of a former cop defies easy answers Initial investigation of the crime scene points to one cause of death but the CSI team s scientific methods uncover something completely different and wholly unexpected On the other edge of the city Stella Bonasera and Lindsay Monroe look into the murder of a young woman who worked at a popular Italian bakery in the Bronx They find the perfect suspect almost immediately a frequent customer who spent a lot of time flirting with the victim and who previously had been arrested for a violent crime Yet Stella can t help but think that their perfect suspect is just a little too perfect for such a messy murder Nothing is as it seems as New York City s dedicated crime scene investigators piece together the clues and examine the evidence to discover the true killers in their midst CSI: Crime Scene Investigation: Shock Treatment Greg Cox,2010-11-30 What happens when a reality TV series gets a true dose of reality A staged prank for a hit scare show has gone horribly wrong with an actor now dead and production halted

indefinitely As the graveyard shift of Sin City s best crime scene investigators including Catherine Willows Ray Langston Nick Stokes Sara Sidle and Greg Sanders digs deeper behind the scenes more questions than answers pile up Was the botched prank s set up simply a case of carelessness on the producers part resulting in a tragic accident or did someone really orchestrate an elaborate scheme for revenge and murder **CSI: Crime Scene Investigation: Skin Deep** Jerome

Preisler,2010-08-31 A retired judge has been found brutally murdered on the outskirts of Las Vegas complete with a macabre yet masterfully intricate tattoo on his face the third seemingly random victim of the mysterious kidnapper dubbed by law enforcement as the Tattoo Man The judge wasn t the first person to have been abducted drugged and permanently altered with tattoos and body modification but he was the first to wind up dead At the same time several other deceased are turning up all over Sin City with their body art mercilessly removed and the timing would seem to suggest to those in authority that all of these crimes are somehow related But Las Vegas s top crime scene investigators Catherine Willows Ray Langston Nick Stokes Sara Sidle and Greg Sanders aren t jumping to any conclusions as they attempt to connect the dots by entering the secretive and tight knit body art community one that is intensely wary of outsiders **CSI Brass in Pocket** Jeff

Mariotte,2012-12-11 Enter the world of the little known and even less understood heroes of police work in Las Vegas the forensic investigators Led by veteran Gil Grisson the remarkable team assigned to the Criminalistics Bureau s graveyard shift must combine cutting edge scientific methods with old fashioned detective savvy as they work to untangle the evidence behind the yellow police tape Far from the glittering lights and 24 7 spectacle of the Strip the Las Vegas Crime Lab s team of investigators is gearing up for a rough night ahead A brutal shooting at a cheap motel may be business as usual for CSIs Catherine Willows and Nick Stokes but as they process the crime scene and quickly identify the victim as a noted local private investigator nothing could prepare them for the shock of finding physical evidence belonging to none other than their own respected colleague Detective Jim Brass Meanwhile CSIs Greg Sanders and Riley Adams are called to a nearby airport where they must face the ultimate locked room mystery how a pilot flying solo in a small private plane wound up murdered while miles above the ground **CSI: Crime Scene Investigation: The Killing Jar** Donn Cortez,2009-11-24 A teenager is

found dead in his motel room the cause of death millipede poison Now crime scene investigator Gil Grissom must aid CSI s Nick Stokes and Riley Adams against a serial killer whose knowledge of entomology rivals his own a brutal murderer who is not only using insects as the tools of destruction but actually modeling the attacks after their behavior In the meantime CSIs Catherine Willows and Greg Sanders must investigate a bizarre death where the victim had gotten mixed up with two very different groups of people one involved in using and dealing crystal meth the other an avant garde group of artists a collision of subcultures where everyone is a suspect and nothing is as it seems *CSI: Crime Scene Investigation: Brass in Pocket*

Jeff Mariotte,2009-08-25 Far from the glittering lights and 24 7 spectacle of the Strip the Las Vegas Crime Lab s team of investigators is gearing up for a rough night ahead A brutal shooting at a cheap motel may be business as usual for CSIs

Catherine Willows and Nick Stokes but as they process the crime scene and quickly identify the victim as a noted local private investigator nothing could prepare them for the shock of finding physical evidence belonging to none other than Detective Jim Brass Meanwhile CSIs Greg Sanders and Riley Adams are called to a nearby airport where they must face the ultimate locked room mystery how a pilot flying solo in a small private plane wound up murdered while miles above the ground CSI: Crime Scene Investigation: The Burning Season Jeff Mariotte,2011-06-28 It s a hot early autumn evening in the small resort town of Mount Charleston NV where six firefighters are battling a massive blaze that threatens expensive homes a blaze that will cost them their lives Initially the police determine that the fire was human started and the state wants to prosecute to the fullest extent of the law with six counts of homicide Now the team of Sin City s finest criminologists led by Catherine Willows are assigned to work a crime scene far from the glittering lights and 24 7 spectacle of the Las Vegas Strip and soon find much more than they bargained for Meanwhile Ray Langston and Nick Stokes are called to a crime scene where a dog has taken a key piece of evidence a severed human hand under a suburban home s crawl space What s even more disturbing is that it s not the first severed hand that s turned up lately there have been four other incidents around Las Vegas over the past twelve months *CSI: Crime Scene Investigation: Dark Sundays* Donn Cortez,2010-05-25 A lavish penthouse party on top of a Vegas hotel and casino plays host to a bizarre set up to murder in which a security guard is trapped and killed in a private elevator and the body soon vanishes leading crime scene investigators Nick Stokes and Greg Sanders straight to an uncanny circus troupe with deadly connections to none other than the Russian mafia In the meantime Ray Langston and Catherine Willows are called to a psychiatric facility where two patients have just escaped after attacking an orderly One of the escaped patients an Iraq war veteran managed to smuggle in a military grade nerve gas inducing realistic and shared three dimensional illusions and hallucinations and Ray and Catherine must race against time in order to find two very dangerous individuals now roaming freely on the streets of Las Vegas **Deluge** Stuart M. Kaminsky,2007-05-22 Days and nights of heavy spring rain threaten to cripple New York City Neighborhoods are experiencing periodic blackouts People have been reported electrocuted by fallen power lines Flooding of some subway lines has stopped trains in their tracks And in the midst of the deluge the CSI team has three cases to solve Mac Taylor and Don Flack are on the trail of the perpetrator of a string of grisly murders with one thing in common initials carved into the victims bodies When an unusual connection is found between the victims lives Mac realizes the killer isn t finished not by a long shot Lindsay Monroe and Danny Messer investigate the death of a teacher at an exclusive Manhattan private school The victim seems like everyone s favorite teacher on the surface but they soon uncover a darker secret lurking beneath Stella Bonasera and Sheldon Hawkes are on site at a suspicious building collapse when shifting rubble traps Hawkes in a deep pit with a mysterious stranger Tensions rise as their oxygen starts to run out The intrepid members of New York s crack forensic team must race against time and the elements to bring three very different criminals to justice **CSI: Miami: Harm for the**

**Holidays: Heart Attack** Donn Cortez, 2007-01-30 As winter's hold deepens in the dark days of February Miami's hotels fill to the bursting point Cruise ships flock to the busiest port in the world as people desperate for warmer climates board these behemoths of the seas People with too much time and money fill the clubs In every other jurisdiction as its citizens are driven indoors there is a downturn in crime but not in Miami as the members of the Miami Dade Crime Lab can attest Stretched to the breaking point Lieutenant Caine is called to what appears to be a failed international terrorist incident a botched arms for Afghani heroin exchange The scene is littered with bodies and blood droplets identified as being from one Abdus Sattar Pathan Once before Pathan managed to escape being charged in the murder of a Federal agent This time Caine has him Except Pathan has an iron clad alibi he was miles away on stage doing his magic act Horatio is convinced that Pathan and the international terrorist known as the Hare are one and the same Can Caine prove it before the Hare puts his deadly plan into motion

Harm for the holidays Donn Cortez, 2007 A ship pauses in Miami on a winter holiday cruise What could be more ordinary Until that is the ship's magician is accused of murder and identified as a terrorist known as the Hare But there's only one problem he has an airtight alibi At the time of the killing he was on board ship miles away from the crime scene performing in front of several hundred witnesses While the Miami Dade Crime Lab pulls out all the stops to find the real Hare Lieutenant Horatio Cane narrowly escapes death when a missile blows up his Hummer There is clearly more than a simple murder at stake could this be the opening salvo of a more sinister terrorist plan
