college and for Rafael after a year of struggling with mental health issues and recovering from sexual abuse that happened to him as a teen trying to be better and more attentive to Akilah. Akilah getting pregnant just before they graduated high school wasn't part of that plan. Now Rafael has to grapple with his mixed emotions about it. He didn't want kids but Akilah's keeping the baby whether he wants her to or not and he sure as hell doesn't want to be like the dad who left him before he could really remember him. At the same time he's terrified if he stays he'll turn into the stepdad that abused him and his mother. Considering his history and the bad examples he's had for male role models his whole life, Rafael's not sure he can do it. And given that he keeps messing up and even Akilah seems to doubt that he can be what she and their baby need for him to be, he's uncertain he should even try. Maybe his dad did have a good reason for leaving Rafael and his mom behind and maybe that same reason is good enough for Rafael to do the same to Akilah so he's gone before he can even give their kid even a vague memory of him.

All the Hidden Things After a tumultuous first few years together, Rafael's relationship with Akilah is finally stable. They're both only months from graduation. Akilah's getting ready for law school and Rafael. He's really not sure what he wants to do with the rest of his life. But he'll figure it out. Then an old sex video of Rafael ends up online for the world to see and there goes stability. With his silence doing more damage than the actual video and his reputation and professional future on the line, Rafael decides the best way to undo the damage is to be completely truthful about the traumatic and violent past he's tried to keep hidden. He expected some backlash from his decision not to be the silent victim anymore. What he didn't expect was Akilah's own hidden past and damning indiscretions to be exposed and used against her. Nor did he expect it to go viral. Now Rafael has to decide if defending himself is worth the cost of Akilah's future and possibly their relationship or if he should just close his mouth and hope everything blows over. But it might be too late to stop. And even if it wasn't, Rafael's not sure he wants to. Either way, he hopes Akilah will forgive him.
