Essays are arranged chronologically from the early American period to the present day to provide the proper historical context and offer perspective on changes that have occurred in sport over time. Also a list of suggested readings provided in each part offers readers the opportunity to expand their thinking on the nature of sport throughout American history. Essays on how Pinehurst Golf Course was created, the interconnection between sport and the World War I military experience and discussion of sport icons such as Joe Louis, Walter Camp, Jackie Robinson and Cal Ripken Jr allow readers to explore sport as a reflection of the changing values and norms of society. *Sport in America: From Colonial Leisure to Celebrity Figures and Globalization*.
