Haunted A True Story:

Haunted Too Dorah L. Williams, 2012-08-25 Spiritual encounters can happen everywhere to all ages and in all walks of life In *Haunted Too* supernatural experiences are shared along with the stories opinions and advice of paranormal experts

Haunted S. J. Wells, 2014-10-02 SJ Wells was admitted into the hospital at the age of 5 years old with double pneumonia and soon died having a near death experience She came away from that experience with the ability to communicate see spirits hear their voices and feel spirit energy For 15 years of her childhood she had to hold deep within terror and realization that she could not share her secret with her family because of their religious belief that all spirits were demons Her fear of losing their love possibly being committed to a mental health facility or damnation to hell was more powerful for her than the suffering she did with the challenges she had to face on a daily basis *Haunted — Incredible True Stories of Ghostly Encounters 2-Book Bundle* Dorah L. Williams, 2014-05-28 It was an irrational decision Despite having just moved into a beautiful new house the Williams family gave in to an odd overwhelming desire to purchase and move into a Victorian home they had come upon by chance They were curious of course as to why the house had in the past had such a high vacancy rate But that curiosity didn't last long because shortly after moving in strange things began to happen At first the family tried telling themselves there were logical explanations for the strange things they all were witnessing But before long they came to accept the fact that they were sharing their home with ghosts *Haunted* is the Williams family's story from the point of view of the mother Dorah Through her chilling reminiscences we witness the all too real goings on in the house Upon writing *Haunted* Dorah thought her situation was unique What she didn't realize was how many others would relate to how it feels to be haunted too After being flooded by emails from people with similar experiences Dorah began to realize this wasn't uncommon at all So *Haunted Too* came to be Not only will it entertain the reader as good ghost stories always have but it will also help the reader to better understand this phenomenon with the inclusion of shared experiences opinions and advice of professionals in this field *The Haunted House Diaries* William J. Hall, 2015-08-17 A paranormal investigator explores a haunted Connecticut farmhouse with the diaries of a resident detailing decades of unexplained phenomena Nestled deep in Litchfield Hills Connecticut a 1790 farmhouse overlooks the epicenter of a paranormal crossroads The family that resides there regularly encounters its own ancestors as well as strangers human and nonhuman who seemingly occupy the same physical space in parallel worlds When ghost hunters Ed and Lorraine Warren investigated they dubbed it Ghost Central When William J Hall visited the house family member Donna Fillie showed him her journal of the paranormal activity she experienced there over the years Here is Donna's diary spanning five decades of uncanny occurrences supplemented with background information provided by Hall It tells of notes from old friends who insist they didn't deliver them a grandson playing with an invisible but very real friend and Donna awakening to phenomena at precisely 12:42 a.m. an eerie correspondence to her house number 1242 This compelling work includes many other kinds of inexplicable incidents that

frequently occur in this otherwise normal area of Connecticut which some believe is also the site of a secret military base
