A Book of Essays: Pappy's Proverbs Patrick H. Anderson, 2019-04-08 I started writing this book in Columbus Ohio at a mortarboard club meeting with Martha when she was at ULM University of Louisiana at Monroe She liked the first article so I started writing some more She like them all

Sad Love Carrie Jenkins, 2022-05-16 As a woman with a husband and other partners philosopher Carrie Jenkins knows that love is complicated Love is most often associated with happiness satisfaction and pleasure But it has a darker side we ignore at our peril Love is often an uncomfortable and difficult feeling The people we love can let us down badly And the ways we love are often quite different to the romantic ideals society foists upon us Since we are inevitably disappointed by love wouldn't we be better off without it No says Carrie Jenkins Instead we need a new philosophy of love one that recognizes that the pain and suffering love causes are a natural even a good part of what makes love worthwhile What Jenkins calls sad love offers no bogus happy ever afters Rather it tries to find a way properly to integrate heartbreak and disappointment into the lived experience of love It's time we liberated love Also available as an audiobook

Speak to Me Lord Marguerite B. White, 2008-03-06 It was only a few years ago God shed his light on me Anointed me with the gift of writing poetry He opened my eyes to understand from the scripture that I read A powerful message came down from above and descended here on me The grace of God bestowed on me the special gift that was given Burns in my soul lets the words flow on this paper it is written O may I thank him daily for what he has given to me May my heart yearn to do his will to use this gift he placed in me To see the mighty hand of God the creator of all things Who used a humble servant made her a child of the King

From God's Mouth to My Ears Agnes Davis, 2017-04-25 This book was designed as a Daily Affirmation tool I suggest that you select one each day at random and you might find that it is the right one for whatever situation you are experiencing on that very day When it comes to prayer and our quiet time with God most of us simply want to talk to tell God about all of our hopes desires painful hurts and sorrows While God desperately wants to hear from us once in a great while someone comes along to remind us again that more of our time with God should be spent listening rather than talking Agnes Davis has accomplished that in *From God's Mouth to My Ears* What a gift she has provided to us as she shares her deepest moments with God I have found these brief devotionals to be uplifting encouraging and challenging This
