Phenomenon Bhagawan Sri Sathya Sai Baba,1992-01-01 This must be said of this book It is the authentic Voice of the Divine Phenomenon that is setting right the moral codes and behaviour of millions of men and women today And so it merits careful and devoted study The Lord has declared that when ethical standards fall and man forgets or ignores His glorious destiny He will Himself come down among men and guide humanity along the straight and sacred path The Lord has come He is guiding those who accept the guidance He is calling on all who have strayed away to retrace their steps Baba s love and wisdom know no bounds His grace knows no obstacle He is no hard taskmaster His solicitude for our welfare and real progress is overwhelming Bhagavan has announced Himself as the Divine Teacher of Truth Beauty and Goodness By precept and example through His writings and discourses letters and conversations He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living inner peace and universal love When the Ramakatha Rasa Vahini the uniquely authentic nectarine stream of the Rama story was serialized in full in the Sanathana Sarathi Bhagavan blessed readers with a new series which He named Bharathiya Paramartha Vahini Stream of Indian Spiritual Values While these precious essays on the basic truths that fostered and fed Indian culture for ages before history began were being published Bhagavan decided to continue the flow of illumination and instruction under a more comprehensive name Sathya Sai Vahini The Stream of Divine Grace the Ganga from the Lotus Feet of the Lord This book contains the two Vahinis merged in a master stream Inaugurating these series Bhagavan wrote for publication in the Sanathana Sarathi Moved by the urge to cool the heat of conflict and to quench the agonizing thirst for knowledge about yourself with which you are afflicted see here it comes the Sathya Sai Vahini wave after wave with the Sanathana Sarathi as the medium between you and me With infinite compassion this Sathya Sai incarnation of the Omniwill is freeing millions of people in all lands from disease distress despair narcotics narcissism and nihilism He is encouraging those who suffer gloom through wilful blindness to light the lamp of love to see the world and the lamp of wisdom to see themselves This is a tantalizing true false world its apparent diversity is an illusion it is ONE but it is cognized by the maimed multiple vision of humans as Many says Bhagavan This book is the twin

lamp He has devised for us Lord Krishna aroused Arjuna from the gloomy depression into which he led his mind at the very moment when duty called on Arjuna to be himself the famed warrior ready and eager to fight on behalf of right against might Krishna effected the cure by reminding him of the Atma that was his reality and of Himself being the Atma that he was Bhagavan says that we too are easily prone to get caught in the coils of cleverness and the meshes of dialectical logic The key to success in spiritual endeavour and what is life worth if it is not dedicated to that high endeavor is philosophical inquiry and moral advance both culminating in the awareness of the Atma the source and sum of all the energy and activity that is We are all motivated by fear doubt and attachments just as Arjuna was We are all hesitant at the crossroad between this and That the wave and the ocean But created by Him we are the miracle of miracles Bhagavan says What is not in man cannot be any where outside him What is visible outside him is but a rough reflection of what really is in him The Atma is free It is purity It is fullness It is unbounded Its centre is the body but its circumference is beyond the beyond Man has been endowed with a superintellect which can recognize the existence of the Atma strive to bring it into his awareness and succeed However very few are human enough to seek to know who they are why they are here wherefrom and where they go from here They move about with temporary names encased in evanescent ever changing bodies So Bhagavan accosts us Listen Children of Immortality Listen Listen to the message of the sages who had the vision of the most majestic Person the Purushothama the Foremost and the First who dwells beyond the realms of illusion and elusion O ye human beings You are by nature ever full You are indeed God moving on earth Is there a greater sin than calling you sinners When you accept this appellation you defame yourselves Arise Cast off the humiliating feeling that you are sheep Do not be deluded into that idea You are Atma You are drops of nectar immortal truth beauty goodness You have neither beginning nor end All things material are your bondslaves you are not bondslaves as you imagine now Bhagavan says Through the unremitting practice of truth righteousness and fortitude the Divinity qui escent in the individual has to be induced to manifest itself in daily living transforming it into the joy of truly loving Know the Supreme Reality breathe It bathe in It live in It Then It becomes all of you and you become fully It A material object is not self expressive It depends wholly on the capacity for knowledge chith sakthi of the individual Atma for its manifestation prakasa The relative world of objects is dependent upon the relative consciousness of the individual Atma jivi When the object is further scrutinized and the true basis of the Plural ity is grasped Brahman or the Oversoul as the first Principle is acknowledged as a logical necessity Subsequently when sense control mind cleansing concentration and inner silence are achieved what appeared as a logical necessity dawns upon the purified consciousness as a Positive Permanent Impersonal Will Prajnanam Brahma whose expression is all this Sathya Sai Vahini reveals to us in unmistakable terms that the self in man is no other than the Overself or God We are told that this is true not only of mankind but of all beings Everywhere and anywhere In fact Will causes this unreal multiplicity of Cosmos on the One that He is He can by the same Will end the phenomenon Being God is behind becoming and becoming merges in being This is
