determined to do its best to equip the US forces fighting the Germans in the field with as much knowledge as possible March 1945 saw the issue of an astonishing document entitled the Handbook On German Military Forces This was a truly remarkable work of intelligence gathering which formed a vast compendium of all the relevant knowledge amassed on the German Wehrmacht Amazingly accurate and comprehensive the Handbook ran to over six hundred pages and was designed to equip commanders in the field with everything they were likely to need to know about the German forces The Handbook remained classified until 1953 and then slipped into obscurity This new paperback reprint rescues this great work from obscurity covering the psychology organisation tactics and operational aspects of the German forces The weapons machines aircraft and uniforms of the German forces are also documented within the Handbook The Handbook On German Military Forces is a fascinating primary reference source for historians and enthusiasts alike providing an invaluable insight into the detail of the German Army which is still an unrivaled source of information today **Handbook on German Military**

The Lost Paratroopers of Normandy Stephen G. Rabe,2022-11-10 The fateful days and weeks surrounding 6 June 1944 have been extensively documented in histories of the Second World War but less attention has been paid to the tremendous impact of these events on the populations nearby The Lost Paratroopers of Normandy tells the inspiring yet heartbreaking story of ordinary people who did extraordinary things in defense of liberty and freedom On D Day when transport planes dropped paratroopers from the 82nd and 101st Airborne Divisions hopelessly off target into marshy waters in northwestern France the 900 villagers of Graignes welcomed them with open arms These villagers predominantly women provided food gathered intelligence and navigated the floods to retrieve the paratroopers equipment at great risk to themselves When the attack by German forces on 11 June forced the overwhelmed paratroopers to withdraw many made it to safety thanks to the help and resistance of the villagers In this moving book historian Stephen G Rabe son of one of the paratroopers meticulously documents the forgotten lives of those who participated in this integral part of D Day history
