Growing Up Really Isn't Easy:

Growing Up Really Isn't Easy Sean Renfrew Kelley, 2015-11-07 It's three books for the price of one in this special compilation novel Jenny Michaels is an ordinary young girl who has many interests in her life including dancing wanting her own puppy getting rid of zits on her face and improving her math grades Jenny may think her problems are the only huge ones that exist on the planet but little does she realize her young adult after school care teachers Mr Keno Miss Monica Mr Jimmy and Miss Kaitlyn have their own issues to deal with From working past troubled teenage years to dealing with difficulties in dating being a young adult can be also be difficult especially when you still have to prepare lesson plans and help your students with their own large series of personal issues Growing Up Really Isn't Easy is a special compilation of the books Growing Up Isn't Easy Growing Up Isn't Simple and Growing Up Is Complicated *Growing Up Isn't Simple* Captain Sean, 2015-05-15 Jenny Michaels is a young girl who has experienced a lot of hardships Her friends have moved away her eye sight isn't as good as it used to be her grandfather has died and just recently she has lost the use of her legs Life may seem over to Jenny but with the help of her mother one of her teachers and her best friend Jenny may soon learn that life does indeed continue even after there's been loss *It May Be Simple, but It Isn't Easy* Kara B. Schmidt M.A. R.N., 2016-10-12 Late one night the author was startled awake by a loud voice saying You have been chosen She discovered the voice was in her mind She said out loud To do what The answer was To write your books She was astounded It was only then when she was rocked to her core by these spiritual happenings that had no rational explanation that she realized there was definitely another dimension to her life She was changed forever not all at once but little by little over many years This is the revealing story of those amazing and profound occurrences Until now she has never spoken about them because she thought her friends and family would think she was crazy Its only now more than twenty five years later that she has found the courage to share her spiritual journey The title It May Be Simple But It Isn't Easy suggests that some of us know we can connect with God and the Holy Spirit but how many of us actually do so on a regular basis How many of us remember to forgive everyone and or send love to all that we meet This is the true story of the authors spellbinding spiritual journey and how she learned to become a spiritually based courageous woman As I grow up , Life is a journey of many of years in the past and future Many people that have taken life seriously have achieved their goals and have ended up being celebrated Life always give us an opportunity to succeed In this book I present to you some steps of how you can succeed in your life These steps are part of other many steps that different persons have used to achieve their destiny The concepts of life listed in this book are not a substitute to the instruction of God I must say that success is not easy journey For one to succeed one should be prepared to work hard and harder One should also be prepared to sacrifice Success is ordained by God People that have genuinely succeeded would testify how God has blessed them and managed to achieve their goals So I encourage you to read this book and always remember that success is your God given anointing Growing up with Parents who have Learning Difficulties

Tim Booth, Wendy Booth, 2005-08-10 Growing up with Parents who have Learning Difficulties uses a life story approach to present new evidence about how children from such families manage the transition to adulthood and about the longer term outcomes of such an upbringing It offers a view of parental competence as a social attribute rather than an individual skill assessing the implications for institutional policies and practices The authors address the notion of children having to parent their disabled parents and argue for a shift in emphasis from protecting children to supporting families This innovative book provides a fresh approach to a subject rife with prejudice and challenges us to think again about many taken for granted ideas about the process of parenting and the needs of children It also demonstrates the power of narrative research and its capacity for bringing alive people s experience in a way that enables us to better understand their lives Loving Isn't Easy J.
