Growing And Managing A Small Business An Entrepreneurial Perspective:

Growing and Managing a Small Business Kathleen R. Allen, 2006 Growing and Managing a Small Business provides students with a comprehensive introduction to business ownership and management from the start up phase through growth and harvest. Decidedly entrepreneurial in focus, this book departs from the traditional small business management text by incorporating themes and principles appropriate to managing small companies in a dynamic global environment. In addition to up to date coverage of risk management and strategies for harvesting the business, the Second Edition introduces several new chapters that examine topics such as ethics and social responsibility, family businesses, and technology. New boxed features illustrate the author's real world approach through case studies and profiles of small businesses and entrepreneurs.

Growing and Managing an Entrepreneurial Business Kathleen R. Allen, 1999. TofC cont. Ethics and social responsibility. Appendix Koidra Tek Asia Business Suite business plan. This book introduces the reader to the up and coming entrepreneur to the latest perspectives on organizational management. It proposes that to compete and grow in this challenging environment, companies must put the customer at the center of the business and integrate total quality. The concepts present in this book of vision, agile webs, core values, virtual organizations, continuous improvement, core competencies, relationship marketing, and mass communication are very much a part of business practices today. The key issues in this book revolve around the customer, the product, service, the process, the organization, and leadership, and are considered as interdependent components of an integrated organization. The topics discussed in this book have value for small business owners and entrepreneurs alike who need to be proactive and flexible to meet the demands of rapidly changing customer needs in a global marketplace. Pref. *Instructor's Resource Manual* Kathleen R. Allen, 1999. **What do Entrepreneurs Create?** Michael H. Morris, Donald F. Kuratko, 2020-01-31. Four different types of ventures created by entrepreneurs are explored in *What Do Entrepreneurs Create*: survival, lifestyle, managed growth, and aggressive growth. The concept of a balanced venture portfolio is introduced to guide public policy formulation and the development of entrepreneurial ecosystems.
