Linguistics, 2000 **Insurgent Cuba** Ada Ferrer, 1999 In the late nineteenth century in an age of ascendant racism and imperial expansion there emerged in Cuba a movement that unified black mulatto and white men in an attack on Europe s oldest empire with the goal of creating a nation explicitly defined **Franco** Enrique Moradiellos, 2017-12-18 On 20th November 1975 General Francisco Franco died in Madrid just before his 83rd birthday At the time of his death he had been the head of a dictatorial regime with the title of Caudillo for almost 40 years In this book Enrique Moradiellos redraws Franco in three dimensions Franco the man Franco the Caudillo and Franco s Spain In so doing he offers a reappraisal of Franco s personality his leadership style and the nature of the regime that he established and led until his death As a dictator who established his power prior to World War II and maintained it well into the 1970s Franco was one of the most central figures of twentieth century European history In Spain today he is a spectre from a regrettable recent past uncomfortable yet still very real and significant Although a relatively minor dictator in comparison with Mussolini Hitler or Stalin Franco was more fortunate than them in terms of survival long lasting influence and public image A study of his regime and its historical evolution sheds new light on fundamental questions of European history including the social and cultural bases for totalitarian or authoritarian challenges to democracy and sources of political legitimacy grounded in the charisma of a leader

In this book Enrique Moradiellos Garcia examines the dictatorship as well as the dictator and in doing so reveals new aspects to our understanding of General Franco the Caudillo The Spanish Labyrinth Gerald Brenan, 2014-11-06 The Spanish Labyrinth first published in 1943 has become the classic account of the background to the Spanish Civil War Studies in European History Johann Joseph Ignaz von Döllinger, 1890 **Female Amerindians in Early Modern Spanish Theater** Gladys Robalino, 2014-08-20 Female Amerindians in Early Modern Spanish Theater is a collection of essays that focuses on the female Amerindian characters in comedias based on the discovery exploration and conquest of America This book emerges as a response to the limited number of studies that focus on these characters and more importantly on the function of these characters as theatrical artifacts within conquest plays Conquest plays are about a handful their heroes are the European male conquerors yet the Amerindian has attracted attention from critics for the value as constructs of cultural discourse We see this character the theatrical Indian as a construct an instrument in many ways a spectacular artifact of the baroque tramoya which emerges from the conversion point of the Counterreformation ideology It has been our purpose here to advance the study of these characters by adding a gender perspective Therefore while sociological and cultural studies are still a fundamental part of the theoretical framework of this project we use feminism as a critical matrix in our inquiries Amerindian female characters stand apart from male Amerindians and Spanish women in dramas which we believe make them worthy of individual attention The articles in this collection delineate different representations of Amerindian women and as a whole this book contributes to a better understanding of the dramatic use of these characters *The Spanish Resurgence, 1713-1748* Christopher Storrs, 2016-01-01 This work considers the extraordinary revival of Spanish power following the War of the Spanish Succession *The Wars of Independence in Spanish America* Christon I. Archer, 2000 This volume of readings examines the revolutions civil wars guerrilla struggles insurgencies counter insurgencies and interventions of this period Offering a solid perspective on the Independence period The Wars of Independence is an excellent text for Latin American survey courses and courses focusing on the colonial era

The Top Books of the Year Guerra Y Paz Spanish Edition The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Guerra Y Paz Spanish Edition : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
