Teaching Beginning Readers Jerry L. Johns, Susan Davis Lenski, Laurie Elish-Piper, 2002

Teaching Children's Literature , 2012-08-21 This groundbreaking

text offers a fresh perspective on how to implement children's literature into and across the curriculum in ways that are both effective and purposeful. Honed over years of experience and reflection in classroom settings and rich with real examples of teachers implementing critical pedagogy, it invites multiple ways of engaging with literature that extend beyond the genre and elements approach and also addresses potential problems or issues that teachers may confront. The book is structured around three mantras that build on each other: Enjoy, Dig deeper, Take action. The practical strategies for taking a critical approach focus on issues that impact children's lives, building from students' personal experiences and cultural knowledge to using language to question the everyday world, analyze popular culture and media, understand how power relationships are socially constructed, and consider actions that can be taken to promote social justice. This book teems with pedagogical purpose. It is smart, principled, and useful. Its freshness and currency will resonate with readers and inspire their teaching. Teaching Kids to Care & Cooperate Kathy Pike, Jean Mumper, Alice Fiske, 2000. J. L. Gili's selection of Lorca's poems in Spanish with his own unassuming prose versions as guides to the originals first appeared in 1960. With its excellent introduction and selection, it remains a perfect introductory guide to the great poet. The book is ideal for newcomers to Lorca who know or are prepared to grapple with a little Spanish. It influenced a generation of readers and poets, including Ted Hughes who first encountered Lorca through this book. Spain's most celebrated modern poet, Federico García Lorca, was born in 1898 near Granada. Poet, dramatist, musician, and artist, he was the author of *The Gypsy Ballad Book* (1928) and *Poet in New York* (1940). After his return from New York and Cuba to Republican Spain in 1930, he devoted himself to the theatre, writing three tragedies, including *Blood Wedding* (1933). An outspoken supporter of the Republic, he was assassinated at the height of his fame by Nationalist partisans in Granada in 1936 on the eve of the Spanish Civil War.
