Features 30 ways to reduce workplace stress plus other tips on how to stay present and calm. We all need to chop wood and carry water. Most of us experience work hardship, traffic jams, and everything modern urban life offers. But by carefully examining our everyday choices, we can move in the direction of right livelihood. We can be a lotus in a muddy world by building mindful communities learning about compassionate living or by coming to understand the concept of Buddha nature. Deal with tense daily scenarios with 30 ways to reduce workplace stress. Be present and relaxed at home and with family. Create a new way of working that is built on peace, compassion, and co-responsibility. And much more. **Work** also discusses mindful consumption or the mindful use of limited resources.
