Catalogue of the King's Music Library, by William Barclay Squire ... British Museum. Department of Printed Books. King's Music Library, William Barclay Squire, 1929 *Journal of the American Viola Society*, 2001 **The Oxford Handbook of Musical Repatriation** Frank D. Gunderson, Robert C. Lancefield, Bret D. Woods, 2019

The Oxford Handbook of Musical Repatriation is a significant edited volume that critically explores issues surrounding musical repatriation chiefly of recordings from audiovisual archives. The Handbook provides a dynamic and richly layered collection of stories and critical questions for anyone engaged or interested in repatriation or archival work. Repatriation often is overtly guided by an ethical mandate to return something to where it belongs by such means as working to provide reconnection and Indigenous control and access to cultural materials. Essential as these mandates can be, this remarkable volume reveals dimensions to repatriation beyond those which can be understood as simple acts of giving back or returning an archive to its homeland. Musical repatriation can entail subjective negotiations involving living subjects, intangible elements of cultural heritage and complex histories situated in intersecting webs of power relations and manifold other contexts. The forty-eight expert authors of this book's thirty-eight chapters engage with multifaceted aspects of musical repatriation, situating it as a concept encompassing widely ranging modes of cultural work that can be both profoundly interdisciplinary and embedded at the core of ethnographic and historical scholarship. These authors explore a rich variety of these processes, many streams making the volume a compelling space for critical analysis of musical repatriation and its wider significance. The Handbook presents these chapters in a way that offers numerous emergent perspectives depending on one's chosen trajectory through the volume. From retracing the paths of archived collections to exploring memory, performance, research, goals, institutional power, curation, preservation, pedagogy and method, media and transmission, digital rights and access, policy and privilege, intellectual property, ideology and the evolving institutional norms that have marked the preservation and ownership of musical archives, The Oxford Handbook of Musical Repatriation addresses these key topics and more in a deep, richly detailed and diverse exploration.

When 4th grader Alex Schwartz first met his cello, his eyes lit up with wonder and a smile appeared on his face as bright as the potential his new cello teacher saw within him. The cello positively impacted all aspects of his development, including focus, fine motor and gross motor skills. Through the transformative power of music, Alex's voice sings through his cello in songs of joy, determination and strength. *Up Bow, Down Bow* shares the beauty of his ongoing musical journey and tells of the vital teamwork between a young music teacher with an endless belief in the abilities of her students and a mother with ceaseless love, support and hope for her son who has Down syndrome, epilepsy and hypotonia. Children with varying abilities have much to offer us all. This book speaks to how parents, families and communities can support children with diverse capabilities and the joy we can receive in return.
