New Orleans detective Jack Brenner is struggling with a faltering marriage an injured partner and an overbearing lieutenant when Emmett Floyd Graves a convict facing lethal injection sends Jack word through his lawyer that he has information about the unsolved murder of Jack s cousin a civil rights worker killed in the summer of 1972 Jack is intrigued but suspicious and before he can figure out whether he s being played he and his new temporary partner Keisha Lundy are assigned to the drive by shooting of a teenage boy Eerily both Steven Bowen and Jack s cousin David were distance running phenomenons at the same high school where Jack himself was a champion hurdler Jack juggles the Bowen case with his own secret investigation of Graves s claim backed up by Keisha who knows what it s like to lose a young family member through violence Jack thinks he has time to make sense of things before bringing anyone else into it But then television reporter Willow Ashe an old flame from Jack s past comes on the scene She not only stirs up old memories of hot nights on the levee but breaks Graves s story on the evening news for all the world to see including Jack s lieutenant wife and aunt Jack is in hot water at work and at home But the publicity gets him what he wants a chance to solve his cousin s murder The two crimes separated by thirty years send Jack and Keisha shuttling between the Big Easy underworld and the delta town of Bon Terre Jack s gut tells him that the Dixie Mafia kingpin who runs Bon Terre is somehow connected to both murders Proving it will put him and people he cares about in the line of fire An impressive debut set among the moonlit bayous great houses and old ghosts of Louisiana Bound by Blood delivers a fine balance of humor violence and sorrow     *Breaking* Mic Wright,2025-06-12  
Brimming with intelligence energy ethics and impeccable research Samira Ahmed The modern media is breaking Now more than ever the media is crucial in shaping what we know about the world around us So what happens when this vital part of our society fails in its basic role and how can we even begin to understand the mess it s in From those who own the news and the battle for balance at the BBC to the intricacies of political journalism and the trade s ethics the modern media is as complex as it is flawed Through personal experience of the newsrooms and insider interviews journalist Mic Wright strips the engine of information entertainment and propaganda back to its constituent parts and lays it bare In this revealing deep dive *Breaking* shows how our news media works and ultimately how it doesn t With his frank and comprehensive analysis Mic equips the reader with the tools to better interrogate our media separating the fair from the ethically dubious the truths from the half truths and the down right lies     *Music Trades* ,1922     *Simpsonology* Tim Delaney,2009-12-02 In this amusing and informative appreciation of The Simpsons sociologist Tim Delaney looks at the many ways America s longest running sitcom and animated TV program reflects American culture For more than fifteen years the Simpsons have touched upon nearly every aspect of the American social scene from family dynamics and social mores to local customs and national institutions With over four hundred episodes aired so far Delaney finds a goldmine of insights couched in parody on any

number of perennial topics On television s influence on American culture Krusty the Clown says Would it really be worth living in a world without television I think the survivors would envy the dead On New Age religion Homer says To think I turned to a cult for mindless happiness when I had beer all along On the thorny issue of gun ownership and home security Homer purchases a pistol at Bloodbath and Beyond and then tells Marge I don t have to be careful I got a gun On the theme of community spirit Bart thoughtlessly signs up with a local Boy Scout troop while on a sugar rush from eating a Super Squishee The next day he realizes what he has done Oh no I joined the Junior Campers To which his sister Lisa responds The few the proud the geeky Delaney finds many more episodes relevant to major sociological issues such as environmentalism feminism romance and marriage politics education health aging and more Students of popular culture and laypersons alike will learn basic sociological concepts and theories in a refreshing jargon free work that offers plenty of entertainment
