Sternberg, Karin Sternberg, 2019 This is a much needed update on the latest theory and research on love supplied by leading scientific experts It is suitable for psychologists neuroscientists anthropologists sociologists and anyone with an interest in love and what has been learned from scientific studies of it **The Bondage In Our Souls** James Qualls, G.A. Sarna, 2025-12-23 The Bondage In Our Souls This book continues the story started in *An Allegorical Love* Without giving anything away two children both the oldest of three stood first in line against the abuse of the very people who bore them What the children and the world never noticed was the devastation that lay below the surface In that they were lucky their grandparents counterbalanced the nightmares with dreams They washed away the alcoholism narcissism and physical abuse with comfort compassion and bear hugs They propped them up on countertops and let them sing The grandparents watched Batman Kukla Fran and Ollie with them and patched the holes in their young souls The similarities in both our childhoods were what built our bond Why the universe placed us in each other's orbit I accepted as a gift One of many I figured I'd earned I know damn well Ms Sarna has earned hers She has lived with Lyme for twenty years We never met in person We didn't need to Despite verbal role play fantasies the reality is that our bodies are fatigued from disease and arduous work Rough sex was only wishful thinking unless gene therapy ever becomes viable Then Lord help us both there may be bruising My point is that love will find you when you least expect it It comes at an inopportune time Love smiles upon us when we have nothing I believe it smiles as proof that our hearts still belong with the one they were meant for Twitter was a synchronicity highway where soulmates messages and miracles all placed in time for us waited Serendipity flowed across electromagnetic fields in search of a parking space Our smartphones activated the homing beacon that brought them home We just needed to believe At its height 6 000 Tweets were sent every second 500 million were sent every day 140 characters 140 single letters The odds that Georgina would notice mine the odds that 140 tiny letters could touch a soul the odds that she could even feel my heart through the disease that ravages her mind make the odds almost incomprehensible She is in more pain than anybody can handle The disease is fighting to survive The treatment may kill them both 200 billion Tweets a year and she finds mine She finds mine I am not losing her now I am not losing her ever We're not losing what it cost us to rediscover our hearts **Love A Daily Oracle for Healing** Maya Tiwari, 2012-11-15 [Wait till I tell you](#) Vatsal Shah, **InDesign Type** Nigel French, 2014-02-13 Typography is the foundation of graphic design and the most effective way to be a better designer is to understand type and use it confidently and creatively This fully updated third edition is a comprehensive guide to creating professional type with Adobe InDesign It covers micro and macro typography concepts from understanding the nuance of a single spacing width to efficiently creating long and complex documents Packed with visual examples InDesign expert and acclaimed design instructor Nigel French shows not just how to use InDesign's extensive type features but why certain approaches are preferable to others and how to avoid common mistakes Whether you're creating a

single page flyer or a thousand page catalog whether your documents will be printed or viewed on screen InDesign Type is an invaluable resource for getting the most out of InDesign s typographic toolset *The Chönyi Bardo* James

Qualls,G.A.Sarna,2026-01-20 The Ch nyi Bardo The Ch nyi Bardo is from an ancient text called the Tibetan Book of the Dead It s a guidebook to the afterlife and what happens It is within this Bardo that visions and auditory phenomena occur

Synchronicities occur more frequently and your soul starts prepping to leave A change happens when we begin to recognize the truth behind rebirth We gear up to leave and the universe guides us onto the next phase We re going to spend the next thirty years discovering why it chose us to make the jump back to forever The Ch nyi Bardo is the third book in the Soulmate Discovery Series I close my eyes imagine you and write I have lived my whole love life that way I have only known passion like this with you So yes I have lived the entirety of this love life that way I rise every morning and stare readily upon Venus She sits directly outside my window Between the streetlights and the flat Florida landscape she is almost the only thing in the sky I can see It seems appropriate that it be her You have been and continue to be the brightest part of my life I know things are tough and they are going to get tougher that s why we were offered to leave this existence for paradise But I am going to kiss you first if I have to crawl through Hell Good morning my beautiful better half How was your night Smile and accept that I love you more than you will ever know Excerpt from A Wish Fulfilled **Talking about Illness** Marie-Therese

Miller,2024-08-01 When someone you love is very ill it can affect the whole family Join your Sesame Street friends to learn ways to stay connected to loved ones when they are sick **See No Evil** Jordan Ford , She s a key witness in a murder trial and she s been hidden away in the one place no one will think to look for her an all boys boarding school Christiana s friend has been murdered and she knows who did it Now instead of completing her senior year with the popular crowd this fashion princess is being forced to hide in a school with exactly zero XX chromosomes Even worse she s somehow supposed to act like the jocks walking these halls And then she meets the smoking hot hockey players next door And it doesn t help that one in particular could unravel her in a heartbeat and potentially blow her cover Trey is confused by the pull he feels toward the scrawny new guy He didn t think he swung that way But he can t deny the fiery chemistry between them and no matter how hard he tries to dislike him he feels oddly protective an instinct that amplifies when he learns the truth Now all that matters is keeping Christiana safe because a dangerous killer wants her silenced at any cost **Brooklyn, Burning** Steve
