Everything Is Negotiable Meg Myers Morgan, 2018-12-04 Surprising ways we limit ourselves and our happiness and how to challenge the internalized wisdom and circular thinking that holds us back As women many of us are stuck in feedback loops about how to be successful and happy striving to have it all at work and at home letting ourselves be pressured into giving every part of our lives 100% until we're completely burnt out imagining only a strictly linear life path college job marriage kids and accepting limitations without question Yet the truth is this book argues most of the conventional wisdom about driving our life choices is total baloney In *Everything Is Negotiable* Meg Myers Morgan deconstructs preconceived notions about adulthood parenthood and career paths that have us limiting ourselves Instead of following that linear plan for example she urges readers to take action now for what we want limitations be damned With wit and verve Morgan also tells us to forget

trying to have it all as the cliché phrase goes it'll never happen And Morgan argues don't bother trying to give 100% we simply can't give anything 100% attention ever Instead this book teaches us to navigate life's necessary trade-offs free of the baggage of our own expectations Chock full of strategies for where and when to give our limited energy what to demand from our careers and how to make better choices Everything Is Negotiable is for women ready to seize the lives they really want

Killer Deals 16-18 Jenna Bennett,2019-12-06 Books 16 18 in the USA Today bestselling Savannah Martin mystery series by New York Times bestselling author Jenna Bennett Savannah Martin has always been a good girl doing what was expected and fully expecting life to fall into place in its turn But when her perfect husband turns out to be a lying cheating slimeball and bad in bed to boot Savannah kicks the jerk to the curb and embarks on life on her own terms With a new apartment a new career and a brand new outlook on life she s all set to take the world by storm If only the world would stop throwing her curveballs WRONGFUL TERMINATION 16 When Savannah s husband Rafe loses his position with the Tennessee Bureau of Investigations Savannah gets excited about the prospect of

them taking their new baby and moving back to their hometown of Sweetwater Rafe has already received a job offer from the Columbia Police Department and although he doesn't seem terribly interested in accepting Savannah would enjoy having her family around not to mention Rafe's grandmother Mrs Jenkins But before they can make any decisions Rafe's former boss at the TBI turns up dead And Rick Goins the MNPd detective in charge seems determined to prove that Rafe had something to do with it Detective Tamara Grimaldi former colleague of Goins and now Chief of Police for Columbia swears that while it might take him some time Goins usually comes up with the right solution in the end But with fresh victims dropping like flies and someone seemingly doing their best to fan the flames of Goins's biases Savannah isn't sure she can wait for the detective to come to his senses Because while she'd like to move back to Sweetwater she doesn't want it to be because her husband is behind bars

CONFLICT OF INTEREST 17 Savannah is delighted to be back in her hometown of Sweetwater surrounded by family and friends even if it's only temporarily The house in Nashville is in the process of being repaired after the fire Baby Caroline is alive and well and getting bigger every day And Rafe is all recovered and is working for Tamara Grimaldi and the Columbia PD at least for the time being That probably won't last but for now Savannah's content There are flies in the ointment however Savannah's best friend from high school is back in town and seems to be setting her cap for Savannah's brother Dix Savannah has been rooting for Dix and Tamara Grimaldi to get together and this new development doesn't make her happy Sure she loves Charlotte but Charlotte already has a husband and shouldn't need another one She especially shouldn't need Dix not when Savannah wants Grimaldi to have him And then there's the case Rafe is working on With another Martin on the hot seat and Rafe and Grimaldi duty bound to serve the law it's up to Savannah to keep her family safe and out of prison

RIGHT OF REDEMPTION 18 When Savannah and her best friend Charlotte decide to flip a foreclosed property in nearby Columbia they talk Savannah's sister Darcy into putting up the money for the renovations and go to work But no sooner have they ripped up the carpet and torn out the kitchen cabinets than the previous owner shows up and invokes his statutory right of redemption After four years in prison for a crime he says he didn't commit he's back in town to clear his name and he wants his house back And according to Savannah's legal eagle brother Dix there's nothing anyone can do to stop him Until someone drops him in his tracks with a murder weapon that has Charlotte's fingerprints all over it Savannah's husband Rafe has his hands full at the local PD so the murder investigation falls on another detective one who doesn't share Savannah's conviction that Charlotte wouldn't hurt a fly But when Savannah decides to do some investigating of her own it soon becomes clear that there's more to this flipping fiasco than meets the eye
