Grendel Study Guide Teacher Copy:

A Study Guide for John Gardner's "Grendel" Gale, Cengage Learning, 2016-06-29 A Study Guide for John Gardner's *Grendel* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. **Teaching "Beowulf"** Larry Swain, Ophelia Eryn Hostetter, 2024-08-19 *Beowulf* is by far the most popular text of the medieval world taught in American classrooms at both the high school and undergraduate levels. More students than ever before wrestle with Grendel in the darkness of Heorot or venture into the dragon's barrow for gold and glory. This increase of attention and interest in the Old English epic has led to a myriad of new and varying translations of the poem published every year, the production of several mainstream film and television adaptations, and many graphic novel versions. More and more teachers in all sorts of classrooms with varying degrees of familiarity and training are called upon to bring this ancient poem before their students. This practical guide to teaching *Beowulf* in the twenty-first century combines scholarly research with pedagogical technique, imparting a picture of how the poem can be taught in contemporary American institutions. *Grendel's Guide to Love and War* A. E. Kaplan, 2017-04-18 *The Perks of Being a Wallflower* meets *Revenge of the Nerds* in this tale of a teen misfit who seeks to take down the bro next door but ends up falling for his enemy's sister and uncovering difficult truths about his family in the process. Tom Grendel lives a quiet life writing in his notebooks, mowing lawns for his elderly neighbors, and pining for Willow, a girl next door who rejects the manic pixie dream label. But when Willow's brother Rex, the bro-iest bro ever to don a jockstrap, starts throwing wild parties, the idyllic senior citizens' community where they live is transformed into a war zone. Tom is rightfully pissed: his dad is an Iraq vet, and the noise from the parties triggers his PTSD, so he comes up with a plan to end the parties for good. But of course, it's not that simple. One retaliation leads to another, and things quickly escalate out of control, driving Tom and Willow apart even as the parties continue unabated. Add to that an angsty existential crisis born of selectively reading his sister's Philosophy 101 coursework, a botched break-in at an artisanal pig farm, and ten years of unresolved baggage stemming from his mother's death, and the question isn't so much whether Tom Grendel will win the day and get the girl, but whether he'll survive intact. Deep and uproarious all at once, a clever spin on a weighty classic. Kirkus starred review. An outstanding YA novel balancing comedy with substantial themes of love, death, and healing. SLJ starred review. A Study Guide for John Gardner's "Redemption" Gale, Cengage Learning, A Study Guide for John Gardner's *Redemption* excerpted from Gale's acclaimed *Short Stories for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Short Stories for Students* for all of your research needs. *Resources in Education*, 1996-10

Beowulf as Children's Literature Bruce Gilchrist, Britt Mize, 2021-10-01 The single largest category of *Beowulf*

representation and adaptation outside of direct translation of the poem is children's literature. Over the past century and a half more than 150 new versions of Beowulf directed to child and teen audiences have appeared in English and in many other languages. In this collection of original essays Bruce Gilchrist and Britt Mize examine the history and processes of remaking Beowulf for young readers. Inventive in their manipulations of story tone and genre, these adaptations require their authors to make countless decisions about what to include, exclude, emphasize, de-emphasize, and adjust. This volume considers the many forms of children's literature, focusing primarily on picture books, illustrated storybooks, and youth novels, but taking account also of curricular aids, illustrated full translations of the poem, and songs. Contributors address issues of gender, historical context, war and violence, techniques of narration, education, and nationalism, investigating both the historical and theoretical dimensions of bringing Beowulf to child audiences.

The Waning Sword: Conversion Imagery and Celestial Myth in 'Beowulf' Edward Pettit, 2020-01-14. The image of a giant sword melting stands at the structural and thematic heart of the Old English heroic poem Beowulf. This meticulously researched book investigates the nature and significance of this golden hilted weapon and its likely relatives within Beowulf and beyond, drawing on the fields of Old English and Old Norse language and literature, liturgy, archaeology, astronomy, folklore, and comparative mythology. In Part I, Pettit explores the complex of connotations surrounding this image, from icicles to candles and crosses, by examining a range of medieval sources and argues that the giant sword may function as a visual motif in which pre-Christian Germanic concepts and prominent Christian symbols coalesce. In Part II, Pettit investigates the broader Germanic background to this image, especially in relation to the god Ing Yngvi Freyr, and explores the capacity of myths to recur and endure across time. Drawing on an eclectic range of narrative and linguistic evidence from Northern European texts and on archaeological discoveries, Pettit suggests that the image of the giant sword and the characters and events associated with it may reflect an elemental struggle between the sun and the moon, articulated through an underlying myth about the theft and repossession of sunlight.

The Waning Sword: Conversion Imagery and Celestial Myth in Beowulf is a welcome contribution to the overlapping fields of Beowulf scholarship, Old Norse/Icelandic literature, and Germanic philology. Not only does it present a wealth of new readings that shed light on the craft of the Beowulf poet and inform our understanding of the poem's major episodes and themes, it further highlights the merits of adopting an interdisciplinary approach alongside a comparative vantage point. As such, **The Waning Sword** will be compelling reading for Beowulf scholars and for a wider audience of medievalists.

History 5-11 Hilary Cooper, 2012-06-25. History 5-11 addresses the key issues surrounding the teaching of history in the primary curriculum. With an emphasis on the importance of learning about the past through the processes of historical enquiry, this textbook will be an invaluable resource to all trainee and practising primary teachers interested in teaching history in an
