Griefcase Guide Healing Moving Forward:

The Griefcase R. Glenn Kelly, 2015-12-20 You are Grieved That is why you are here You are a fellow member in the club no one wants to belong to You have lost someone you love and are trying to discover how to move forward and possibly who you are now The Griefcase will help you do just that Jason was handed his Griefcase against his will when his sixteen year old son died in a horrible car accident His Griefcase was given to him by someone he didn't even know at the time but Jason instantly understood he would carry it with him until the day he left this world behind It was a heavy Griefcase and so burdensome It impacted Jason's life in every way be it work social events and even at home If he tried to move it would hold him back tripped him up and was such an anchor on his life that it often frightened him When he dared overcome his fears and look inside the Griefcase he just wanted to slam the lid closed again He saw a disorganized pile of manila folders strewn across the bottom of the case each one labeled with different emotions like shock anger guilt and disbelief Although he knew in his very soul he should face the contents inside the confusion blocked out the solution for processing his grief Come inside The Griefcase and learn the methods for sorting through the folders of corrosive emotions and how to lighten your Griefcase so it becomes a cherished container of your loved one You might be surprised to find out that when the Griefcase is lighter there is room inside to toss in a pair of flip flops and a bottle of suntan lotion You will have earned a break you loved one along with you in The Griefcase Inside the book The Griefcase you will find The concept of the Griefcase How to Use the Griefcase Overcoming Male Ego in loss Human Nature Nurture traits Our need to express emotions The vilest of emotions Your invisible Griefcase The Griefcase of others Taking your Griefcase to work And so much more Use The Griefcase to move forward towards wholeness and healing Peace and purpose R. Glenn Kelly **Healing and Transformation Through Self Guided Imagery** Leslie Davenport, 2011-02-16 A guide to healing from trauma and crisis through the transformative potential of creative visualization techniques Tapping into the heart's wisdom through creative visualization is an ancient practice but today guided imagery is used as an adjunct to conventional medical therapies for health issues ranging from cancer and heart disease to post traumatic stress disorder and addiction This inspiring guide provides contemporary techniques for using it to transform moments of pain emotional turmoil and interpersonal conflict into opportunities for growth and self realization **The Canyon Ranch Guide to Living Younger Longer** Len Sherman, Canyon Ranch, 2001 America's most popular health resort now offers its innovative life extending program of exercise nutrition stress reduction and spirituality for use in personalized practice at home 190 photos *Grief Healings 365* R. Glenn Kelly, 2016-01-10 Our existence on earth is not infinite Shortly after the breath of life came to the Garden of Eden so too did the ultimate reality of death and losing someone loved deeply Mourning and grief therefore are as old as mankind itself and have frequently been the impassioned topic of many well known philosophers poets and profits over the centuries When grief is heavy it is difficult for any words to ease the pain Yet along my own journey towards a New Normal I would occasionally pick up renowned quotes verses or

famous lines which seemed to resonate within my aching heart I held on to those little gems of wisdom taking comfort in the awareness that almost every soul that ever existed had also traveled the painful path of loss In *Grief Healings 365* I have compiled only those words of wisdom which will motivate you to Move Forward in your grief journey Within these pages are noted and inspirational lines from such greats as Moses Plato Lao Tzu Abraham Lincoln and other brilliant minds of the past You will also find poetry and pieces of creative works from Shakespeare Dickens Twain and others as well as specific Bible verses cultural prayers and proverbs on grief This collection of inspiring daily words is yours to use as you wish There is a quote for each day of the year beginning with January 1st on page one January 2nd on page two and so forth through December 31st You do not however have to begin this book on page one In fact my recommendation is that you begin with the month and day in which you first picked up the book Keep it at your bedside and begin each day with a new inspiration and carry the thought with you until you fall asleep that night Almost every page inside has space for you to jot down your own thoughts or interpretations of the day s passage If you take advantage of this as you work through each day and return to the page a year later your own notes will bear witness to how far you moved forward in your journey Do not stop because you have already read each day throughout the previous year Instead continue the inspirational cycle and continue to heal I do hope the revered words contained within *Grief Healings 365* will give you the comfort given to me May you find relief in the knowledge that throughout the ages there have been those who were committed to healing and moving forward in loss May you too find peace and purpose in their words
