prevailing assumptions about the idiosyncratic status of outsider artists This wide ranging investigation of the art and lives of those labeled outsiders focuses on the ways that personal tragedies and suffering have inspired the art making process In some cases trauma has triggered a creative transformation that has helped artists confront otherwise overwhelming life events Additionally Wojcik s study illustrates how vernacular traditions religious worldviews ethnic heritage and popular culture have influenced such art With its detailed consideration of personal motivations cultural milieu and the potentially therapeutic aspects of art making this volume provides a deeper understanding of the artistic impulse and human creativity

The Cambridge History of the Graphic Novel Jan Baetens,Hugo Frey,Stephen E. Tabachnick,2018-07-19 The Cambridge History of the Graphic Novel provides the complete history of the graphic novel from its origins in the nineteenth century to its rise and startling success in the twentieth and twenty first century It includes original discussion on the current state of the graphic novel and analyzes how American European Middle Eastern and Japanese renditions have shaped the field Thirty five leading scholars and historians unpack both forgotten trajectories as well as the famous key episodes and explain how comics transitioned from being marketed as children s entertainment Essays address the masters of the form including Art Spiegelman Alan Moore and Marjane Satrapi and reflect on their publishing history as well as their social and political effects This ambitious history offers an extensive detailed and expansive scholarly account of the graphic novel and will be a key resource for scholars and students

Stan Hopewell Ted Snell,2013 I fixed my mind on the power of love to the extent of painting it When war veteran Stan Hopewell s beloved wife Joyce became seriously ill he turned to art Though he had never painted in his life art became Hopewell s means of expressing his love for Joyce conveying his belief in the power of God dealing with hardship and celebrating the life that he and Joyce had shared Presented here by author Ted Snell this is the powerful and life affirming story of Stan Hopewell a man compelled to paint not by his passion for art but by an inherent creative spirit The urge toward creative expression was so surprising and the results so remarkable that Hopewell assumed his talent came from God This spiritual relationship guided him through the hardships and challenges of life and led to using his extraordinary capacity to give potent visual form to all manner of events and emotions His life story acts as a parallel text to his artwork illustrating and informing each complex painting Stan Hopewell is a man both ordinary and extraordinary and his story extends the readership beyond an artistic one The book moves from the story of one man to the creative journeys of self taught artists and their ineffable drive to create It documents that brief moment of creative focus and energy that turns ordinary people into artists

Gatecrashers Katherine Jentleson,2020-04-07 After World War I artists without formal training crashed the gates of major museums in the United States diversifying the art world across lines of race ethnicity class ability and gender At the center of this fundamental reevaluation of who could be an artist in America were John Kane Horace Pippin and Anna Mary Robertson Grandma Moses The stories of these three artists not only intertwine with the major critical debates of their period but also prefigure the call for inclusion in representations of American art today In

Gatecrashers Katherine Jentleson offers a valuable corrective to the history of twentieth century art by expanding narratives of interwar American modernism and providing an origin story for contemporary fascination with self taught artists

Rivers, Charles Reagan Wilson, 2013-06-03 Folk art is one of the American South's most significant areas of creative achievement and this comprehensive yet accessible reference details that achievement from the sixteenth century through the present. This volume of *The New Encyclopedia of Southern Culture* explores the many forms of aesthetic expression that have characterized southern folk art, including the work of self-taught artists as well as the South's complex relationship to national patterns of folk art collecting. Fifty-two thematic essays examine subjects ranging from colonial portraiture, Moravian material culture, and southern folk pottery to the South's rich quilt-making traditions, memory painting, and African American vernacular art. And 211 topical essays include profiles of major folk and self-taught artists in the region.

My Soul Has Grown Deep Cheryl Finley, Randall R. Griffey, Amelia Peck, Darryl Pinckney, 2018-05-21 *My Soul Has Grown Deep* considers the art-historical significance of contemporary Black artists and quilters working throughout the southeastern United States and Alabama, in particular. Their paintings, drawings, mixed-media compositions, sculptures, and textiles include pieces ranging from the profoundly moving assemblages of Thornton Dial to the renowned quilts of Gee's Bend. Nearly sixty remarkable examples, originally collected by the Souls Grown Deep Foundation and donated to The Metropolitan Museum of Art, are illustrated alongside insightful texts that situate them in the history of modernism and the context of the African American experience in the twentieth-century South. This remarkable study simultaneously considers these works on their own merits while making connections to mainstream contemporary art. Art historians Cheryl Finley, Randall R. Griffey, and Amelia Peck illuminate shared artistic practices, including the novel use of found or salvaged materials and the artists' interest in improvisational approaches across media. Novelist and essayist Darryl Pinckney provides a thoughtful consideration of the cultural and political history of the American South during and after the Civil Rights era. These diverse works, described and beautifully illustrated, tell the compelling stories of artists who overcame enormous obstacles to create distinctive and culturally resonant art.

To Make the Hands Impure Adam Zachary Newton, 2016-01-01 How can cradling, handling, or rubbing a text be said ethically to have made something happen? What, as readers or interpreters, may come off in our hands in, as we maculate or mark, the books we read? For Adam Zachary Newton, reading is an embodied practice wherein ethics becomes a matter of tact in the doubled sense of touch and regard. With the image of the book lying in the hands of its readers as insistent refrain, *To Make the Hands Impure* cuts a provocative cross-disciplinary swath through classical Jewish texts, modern Jewish philosophy, film, and performance literature. Translation and the material text: Newton explores the ethics of reading through a range of texts from the Talmud and Midrash to Conrad's *Nostromo* and Pascal's *Le Mémorial*, from works by Henry Darger and Martin Scorsese to the National September 11 Memorial and a synagogue in Havana, Cuba. In separate chapters, he conducts masterly treatments of Emmanuel Levinas, Mikhail Bakhtin, and Stanley Cavell by emphasizing their performances as readers, a trebled orientation to Talmud, novel, and theater. *To Make the Hands Impure* stages the encounter of literary experience and scriptural traditions, the difficult and

the holy through an ambitious singular and innovative approach marked in equal measure by erudition and imaginative daring
