**Presidents and Presidencies in American History** Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America's forty five presidents from the first administration to that of Donald Trump. Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City. Some have proved exceptional leaders and others have not. Some have faced serious crises both foreign and domestic. Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month. Each however played a key role in the evolution of United States history. Each of their histories therefore remains a critical civics lesson to consider. This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump. Each chapter includes a timeline, a biographical sketch, a historical overview, and an analytical essay concerning the president and his presidency. Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence. A suggested reading list for further study of each president rounds out each entry. **Grover Cleveland** Betsy Ochester, 2004 Presents a biography of Grover Cleveland. **Encyclopedia of the American Presidency, Fourth Edition** Michael Genovese, 2021-04-01 Praise for the first edition: An altogether excellent introduction to the study of the presidency of the United States. Offering a complete account of the presidency in U.S. history, this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government. Its comprehensive scope spans the relationship between the executive and the other branches of government: court cases, elections, political opponents, scandals, and more. A valuable resource that provides concise information. Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries. Entries include: Bully pulpit, Commander in chief, Economic policy, Executive privilege, Kamala Harris, Impeachment, Iraq War, Thomas Jefferson, Middle East, Military tribunals, New Deal, Oval Office, Franklin D. Roosevelt, Situation room, Donald Trump, Veto power, War powers, Watergate, White House, and more. **Presidents of India & America with Britain's Kings & Queens** Charan Lal Sahu, 2018-07-02 Presidents of India, America with Britain's Kings & Queens. **American Presidents - A Curious Look at a Unique Cohort** V.S.
