Growing Up Christian Have You Taken Ownership Of Your Relationship With God:

Growing Up Christian Karl Graustein, Mark Jacobsen, 2005 Many teens are active in church youth programs yet drop out of church later in life and never return Other young adults rest on the merits of their parents faith without ever experiencing their own relationship with Jesus Christ In this book the authors seek to help teenagers who have grown up in Christian homes by reminding them of the blessings of growing up in a Christian home warning them of some of the dangers they face providing practical suggestions for avoiding these dangers and urging them to think and live in a way that pleases God Uncommon Love Mary Comm, 2018-08-07 Uncommon Love is a landmark Bible study and the first of its kind In a culture where gay rights gay marriage and a surplus of gender issues have recently exploded in the media more and more kids are coming out and many of these are from Christian homes with Christian parents who don't know what to do how to respond where to draw boundaries or if they even should Scripture which is the foundational basis for how to live the Christian life has even been brought into question further confusing the hearts and minds of Christian parents Mary Comm presents a comprehensive navigational map for Christian parents whose kids whether minor or adult have Same Sex Attraction or are living the LGB lifestyle The primary purpose of Uncommon Love is to help parents maintain a loving mutually respectful relationship with their LGB children and shows parents how to offer compassionate understanding and unconditional love without compromising their own identity faith and values *American Book Publishing Record*, 2005
