Growing Up Empty Loretta Schwartz-Nobel, 2002-11-12 Already lauded as a deft blend of tough investigative reporting and deep compassion an unforgettable exploration of public policy its failures and its victims by the most respected senators members of Congress journalists and hunger advocates in the country *Growing Up Empty* is a study of a hidden epidemic that still remains largely unacknowledged at the highest political levels A call to action that will reenergize the national debate on the federal government s priorities *Growing Up Empty* is advocacy journalism at its best In 1981 President Reagan incongruously announced to the world that there were no hungry souls in the richest nation in the world that poverty had been virtually wiped out But Schwartz Nobel had found a different story in America s communities and she laid bare the horrifying truth about hunger in the United States in her landmark work on hunger *Starving in the Shadow of Plenty* That book caused Americans to reexamine their priorities Twenty years later Schwartz Nobel returned to see how things had improved and discovered that it was all the same As she tracked this hidden political and emotional battle she was shocked to find that hunger is deeper and wider than she could have imagined that it has reached epic proportions It is running rampant through urban rural and suburban communities affecting blacks whites Asians Christians Jews and nonbelievers alike And it is getting worse The stories of the people she encountered are the core of *Growing Up Empty* With a combination of skillful investigative reporting and a novelist s sympathetic and humanistic eye for detail Loretta Schwartz Nobel portrays an unforgettable reality of human suffering that need not exist Among the people we come to know in these pages are the new breed of homeless born of the Welfare to Work program working poor who have jobs but do not make enough to support their families immigrants who work under horrifying conditions for little money and fewer benefits a formerly middle class dentist s wife abandoned by her husband reduced to stealing in order to feed her hungry children soldiers who fight on our front lines while their hungry young wives and children stand on bread lines and are denied benefits and baby formula at military health clinics In the affecting and powerful *Growing Up Empty* Loretta Schwartz Nobel has found the shrouded and silent victims of our public policies and brings us into their homes and hearts *Growing Up Empty* Loretta
