Growing Up Neil Sutherland, 1997-01-01 By laying out the structure of children's lives and their childhood experiences in such settings as the home, the classroom, the church, and on streets and in the playground, the author describes how English-Canadian children grew up in modern Canada. **Growing Up Country** Charlie Daniels, 2007-04-03 From *Growing Up Country*, I learned early in life that country is not a place on a map. Country is a place in your heart. In your soul. In the very depth of your being. Bill Anderson One of the things I like most about country life is that nothing much has really changed. My

grandchildren and I are still walking and hunting in the same woods and fishing in the same creeks as I did with my father President Jimmy Carter Food was at the heart of our home And other than those troublesome vegetables I loved all of it We fried everything we d have even fried water if we could ve Keith Anderson I can t imagine what my life would have been without peaceful days mountain streams homegrown and home cooked food country church and all day singing with dinner on the grounds with family and friends Dolly Parton Growing up country there s nothing like it It s growing up with your grandmother and granddaddy around it s a lot of love when you need it great cooking in the kitchen and always being real Eddie Montgomery Blackberry pie on the window ledge The Grand Ole Opry on the radio Sunday dinners on the table Families swinging on the front porch after a hard day s work It s all part of the country way of life Here legendary country music singer Charlie Daniels introduces and edits a collection of heartfelt essays from an all star cast of contributors on what it means to grow up country United by a love of music these notables show us that country means more than just the twang of a guitar They share a belief in hard work integrity strength of character and having the courage not to quit The stories here tell of rustic upbringings and rich spirits of parents who believed in tough love and old fashioned common sense and of a strong sense of community pride in your country and a love of the natural world You ll get an intimate glimpse into the lives of Country music royalty and all time greats such as Dolly Parton Barbara Mandrell Brenda Lee Doobie Gray and Lee Greenwood Southern rock gods such as Gary Rossington and Donnie Van Zant The newest crop of stars such as Sara Evans Toby Keith and Clint Black Special guests such as former president Jimmy Carter and seven time all around rodeo champion Ty Murray These snapshots show how living country has allowed our favorite singers songwriters and stage performers to make a career out of doing what they love while never forgetting that when you ve grown up country home isn t just a place where you live it s a state of the heart

Growing Up In A Pennsylvania Steel Town Edward Nebinger, 2012-10-01 The author was inspired to write these memoirs of the years he spent growing up in the Pennsylvania steel town of Bethlehem before the Second World War by the realization that they were a pivotal time in American history While Americans were struggling with the economic hardships of the Great Depression they never gave up and instead made the best of what they had Out of their triumph over hardship grew the generation that fought and won the Second World War The society and culture exemplified by the Pennsylvania steel towns has now vanished but it is hard not to think that while we have gained much as a society we have also lost far too many things worthy of preservation One of these was the great Bethlehem Steel plant itself the ruins of which stretch for miles along the Lehigh River Dominating the ruins are the ghostly remains of the five great blast furnaces preserved to remind people of the greatness that was once Bethlehem Steel and the community that lived in its shadows **All Music**
