Adams,Michael L. Keene,2014-01-10 Because scholars have traditionally examined the efforts of American suffragists only in relation to electoral politics the history books have largely missed the real story of what these women achieved far outside the realm of voting reform Though Stanton Anthony and Mott are the best known figures of the woman s suffrage movement all were dead more than a decade before women actually achieved the vote Women like Alice Paul Louisine Havemeyer and Mary Church Terrell carried on their work putting their campaign experiences to work long after the 19th Amendment was ratified This book tells the story of how these women made an indelible mark on American history in fields ranging from education to art science publishing and social activism     *That Dickinson Girl* Joan Koster,2022-11-15 She s going to be the greatest orator of the Civil War Eighteen year old Anna Dickinson is nothing like the women around her and she knows it Gifted with a powerful voice a razor sharp wit and unbounded energy the diminutive curlyhead sets out to surpass the men of her day as she rails against slavery and pushes for women s rights There are only two things that can bring her downfall the entangling love she has for her devoted companion Julia and an assassin s bullet Forced to accompany the fiery young orator on her speaking tour of New England Julia Pennington fights her growing attraction to the ever more popular celebrity When a traitor sets out to assassinate Anna Julia must risk her life to save her Loosely based on the life of forgotten orator feminist
