□□□□ Victor Segalen,2007-06-04 First English critical edition of a bilingual masterpiece with facsimile and facing page translation **Representing the Exotic and the Familiar** Meenakshi Bharat,Madhu Grover,2019-11-28 The multicultural world of today is often said to be marked by a certain kind of exoticization a fetishizing process as Graham Huggan has called it which separates a first world from a third world the Occident from the Orient The essays collected here re assess this tendency not least by focusing on the kinds of intellectual tourism and dilettantism to which it has given rise The wider context of these analyses is a postcolonial scenario where literatures and languages can move from the exotic to the comparatively familiar space of contemporary writings where an exotic mythos can live on into the familiar present and where certain perceptions and representations of peoples of literatures and of languages have turned exoticization and familiarization into global modes of mass cultural consumption Especially by exploring the liminalities between different cultures this collection manages to trace both the history and the politics of exoticist representation and in so doing to make a significant critical intervention **Clinical Handbook of Chinese Herbs** Will Maclean,2017-02-21 A comprehensive handbook of Chinese herbs and their clinical applications this updated reference describes in detail each herb s

characteristics with comparative charts to help clinicians discriminate between similar herbs and dosage guidance **Long Time No See, We Meet Again** Mai Sui,2019-12-09 He whispered in her ear while they were still in love Beppi let s get married after we graduate The next second however he was with her best friend She turned like a stranger Four years later she reappeared with a small oil bottle Why did you come back Did that man not satisfy you He lifted her chin and trampled on her dignity CEO Lu are we very familiar with each other She gritted her teeth and retreated step by step Did you sleep well
