Guerrilla Of The Niger Delta:

Guerrilla of the Niger Delta Don Veta, 2016-01-01 Delano has been informed of the mysterious disappearance of a US envoy in Nigeria in the wake of insurgency in this country Requested by the authorities to help rescue the envoy abducted by gunmen presumed to be members of a militant group ravaging the creeks of the Niger Delta in South South in Nigeria Delano to his great surprise realizes the key to the envoy's liberation leads to the biggest revelations on the history of the big Oil cartel around the oil thief and the work of the Guerrilla of the Niger Delta The activity of the Oil Brotherhood involves famous names The Barons maintain a chain of activities which has led to an evolution of the activities of the militant group Assisted by Como and his band of boys bent on changes Delano endeavors to solve the mystery behind the abduction of the US envoy while trying to evade the machinations of the locals and of the State Delano must take every step to confront them and save his life in this terrain of uncanny self-scarifying Nightingale Brave New War John Robb, 2008-04-28 For my money John Robb a former Air Force officer and tech guru is the futurists futurist Slate The counterterrorism expert John Robb reveals how the same technology that has enabled globalization also allows terrorists and criminals to join forces against larger adversaries with relative ease and to carry out small inexpensive actions like sabotaging an oil pipeline that generate a huge return He shows how combating the shutdown of the world's oil high tech and financial markets could cost us the thing we've come to value the most worldwide economic and cultural integration and what we must do now to safeguard against this new method of warfare Oppression and Resistance in Africa and the Diaspora Kenneth Kalu, Toyin Falola, 2019-01-04 Africa's modern history is replete with different forms of encounters and conflicts From the fifteenth century when millions of Africans were forcefully taken away as slaves during the infamous Atlantic slave trade to the colonial conquests of the nineteenth century where European countries conquered and subsequently balkanized Africa and shared the continent to European powers and to the postcolonial era where many African leaders have maintained several instruments of exploitation the continent has seen different forms of encounters exploitations and oppressions These encounters and exploitations have equally been met with resistance in different forms and at different times The mode of Africa's encounters with the rest of the world have in several ways shaped and continue to shape the continent's social political and economic development trajectories Essays in this volume have addressed different aspects of these phases of encounters and resistance by Africa and the African Diaspora While the volume documents different phases of oppression and conflict it also contains some accounts of Africa's resistance to external and internal oppressions and exploitations From the physical guerilla resistance of the Mau Mau group against British colonial exploitation in Kenya and its aftermath to efforts of the Kayble group to preserve their language and culture in modern Algeria and from the innovative ways in which the Tuareg are using guitar and music as forms of expression and resistance to the modern ways in which contemporary African immigrants in North America are coping with oppressive structures and racism the chapters in this volume have examined

different phases of oppressions and suppressions of Africa and its people as well as acts of resistance put up by Africans

Kpim of Environment Fr. Pantaleon Foundation, 2024-10-08 Kpim of Environment is a superb book crafted from assembled and peer reviewed articles focusing on the fundamental issues that build sustain or degrade the environment There is no doubt the modern world is seriously faced with diverse challenges especially that of having a healthy environment What is it that causes the environment to become a threat The focus of this book is to interrogate what ought to be the core issues and expectations of making our environment our world a better and safer place in the contemporary time or in the era of global heating Established scholars have explored the various aspects of the complex environment in development and highlighted what the underlying issues are through integral reflection intersectionality theory and practice resilience and sustainability in the changing world By working out the issues in their fields of specialization and interest the authors very insightfully offered instances and strategies to manage the environment in ways that will allow faith reason and action in discerning policy and outcomes of environmental intelligence and care The unique voices of the authors are not only revealing but also irresistible to be ignored on the question of reason faith and environment You will discover how philosophical theological and applied scientific knowledge crisscrossed the weaving of the essays together to strike a meaningful outcome The book is organized in three sections with running chapters for each article including a book review on cutting to die resilience and general conclusion By scrutinizing the meaning of environment for adaptation and growth through technology reason and faith this book offers a glimpse and in depth analysis of what the competing issues are and will keep readers and systematic policy work busy for many years ahead **Insurgency and War in Nigeria** Akali

Omeni, 2019-12-12 Boko Haram is the major threat to the Nigerian state and has emerged as a destabilizing factor across sub Saharan Africa This is now a major focus of global policy making as between 2013 and 2014 insurgency related deaths in Nigeria exceeded those in Iraq and Afghanistan This book is the first to focus on the military nature of Boko Haram the reasons for its success in those specific regions of the Chad basin it operates in and a detailed history of the Nigerian army's counter insurgency with whom uniquely the author has spent research time The book identifies and analyses the battles and skirmishes on the front line as well as unearthing a wider explanation for Boko Haram's military success and the causes of the instability in the region Movers and Shakers Stephen Ellis, Ineke van Kessel, 2009-11-15 Mobilization against

apartheid the campaign against blood diamonds the women's movement in Liberia where Africa's first female head of state was elected in 2005 these are all examples of socially based movements that have had a major effect on Africa's recent history Yet the most influential theories concerning social movements worldwide have paid little heed to Africa basing themselves more often on cases drawn from other continents This volume draws together contributions from some leading writers on social movements in Africa setting empirical studies alongside a couple of theoretical chapters Africa's social movements have distinctive features that are related to the continent's specific history *African Lions* Chris

Stokel-Walker,2011-03-04 A second wave of colonialism is driving nations from the eastern and western economies towards the battleground of Africa The prize for the 20th century colonists is big oil Africa s vast reserves of hydrocarbons mean that stumbling young democracies are being potentially put at risk by oil companies greed African Lions is an in depth investigation into the colonial geopolitics of Africa s gas and oil and the potential impact that international oil companies and governments moves could have on these nascent democracies as many celebrate a half century of freedom from colonial rule The world needs a new driver of consumer demand a new market and a new dynamo In short the world needs Africa Rt Hon Gordon Brown MP former British Prime Minister **Africa 2012** J. Conflicts in Nigeria Augustine Ovuoronye Ikelegbe,2013 This book presents a critical analysis of how oil and gas exploitation with huge negative impacts on environment development and human security has constructed a disturbing terrain of civil agitation state repression violent conflicts and insecurity within Nigeria Drawing on the nature and content of public policy and corporate social responsibility practices the book interrogates the conflicts communal and regional dimensions in terms of causality dynamics and interventions In presenting strategies and mechanisms for resolving the diverse dimensions of the resource conflicts it charts the way towards sustainable development and conflict transformation two issues which would remain germane to the resource conflict resolution discourse in the specific case of the Niger Delta and beyond Series Politics and Economics in Africa Vol 7 **West Africa and the U.S. War on Terror** George Klay

Kieh,Kelechi Kalu,2013-05-07 Since the terrorist attacks on the American homeland on September 11 2001 fighting the menace has become the frontier issue on the U S national security agenda In the case of the African Continent the United States has and continues to accord major attention to the West African sub region This book Evaluates where we can place West Africa within the broader crucible of the U S war on terrorism Establishes the key elements of the U S counter terrorism policy in West Africa Examines the U S counter terrorism strategies in West Africa and evaluates if they are being pursued both at the bilateral and multilateral levels in the region Interrogates the relationship between stability in the sub region and the waging of the U S war on terrorism Specifically the book examines the crises of underdevelopment cultural

economic environmental political security and social in the sub region especially their impact on shaping the conditions that provide the taproots of terrorism Clearly addressing these multidimensional crises of underdevelopment is pivotal to the success of the U S war on terrorism in the sub region This book will be of great interest to students and scholars of terrorism homeland security African Studies conflict management and political violence

Oil, Democracy, and the Promise of True Federalism in Nigeria Augustine A. Ikein, Diepreye S. P. Alamieyeseigha, Steve S. Azaiki, 2008 The Niger Delta region is prone to conflicts and restiveness as a consequence of oil activities and under development which ultimately induce poverty Oil Democracy and the Promise of True Federalism in Nigeria attempts to demonstrate this unfortunate byproduct of federalism in Nigeria Calling for resource control and the practice of True Federalism the contributors of this volume identify some of the major endemic problems for the Niger Delta people It is in this light that the contributors have presented the contending views on the challenges and opportunities on Nigeria's path towards the practice of True Federalism Offering solution ideas for Niger Delta development and the promotion of a peaceful coexistence this comprehensive volume proposes hopeful yet powerful arguments for the Niger Delta region

Terrorism and Counter-Terrorism in Modern Sub-Saharan Africa János Besenyő, Moses B. Khanyile, David Vogel, 2024-07-15 Acts of terrorism and forms of counter terrorism have been evolving for quite a long time Although we have been living with these phenomena for centuries they have only recently become part of the daily lives of many in the West since the dawn of the millennium In some countries they have become so prevalent that they shape the daily lives and habits of citizens For these reasons it is of utmost importance for all of us to understand the root causes the drives and the motives behind terrorist activities preferably even before they can materialize In this challenge counter terrorism activities play a crucial role In this book contributors from various disciplines discuss terrorism and counter terrorism on the African continent through case studies from Nigeria Kenya Cameroon Ghana or Mozambique and the Sahel region In addition to analysis they offer possible steps for improving the situation

Intervention and Transnationalism in Africa Thomas Callaghy, Ronald Kassimir, Robert Latham, 2001-12-20 As the idea of globalization emerges as a key concept in social sciences in the twenty first century understanding how external forces and phenomena shape the politics of nation states and communities is imperative This 2001 volume calls attention to transboundary formations intersections of cross border national and local forces that produce destroy or transform local order and political authority significantly impacting on ordinary people's lives

It analyzes the intervention of external forces in political life both deepening and broadening the concept of international intervention and the complex contexts within which it unfolds While transboundary formations can emerge anywhere they have a particular salience in sub Saharan Africa where the limits to state power make them especially pervasive and consequential Including conceptual contributions and theoretically informed case studies the volume considers global local connections taking a fresh perspective on contemporary Africa s political constraints and possibilities with important implications for other parts of the world *The Obama Syndrome* Tariq Ali,2011-09-01 Written early in 2010 and initially published in September 2010 The Obama Syndrome predicted the Obama administration s historic midterm defeat But unlike myriad commentators who have since pinned responsibility for that Democratic Party collapse on the reform president s lack of firm resolve Ali s critique located the problem in Obama s notion of reform itself Barack Obama campaigned for the presidency by promising to escalate the war in Afghanistan and his economic team brought the architects of the financial crisis into the White House Small wonder then that the War on Terror torture in Bagram occupation in Iraq appeasement in Israel and escalation in Pakistan continues And that Wall Street and the country s biggest corporations have all profited at the expense of America s working class and poor Now a thoroughly updated paperback continues the story through the midterms including a trenchant analysis of the Tea Party and Obama s decision to continue with his predecessor s tax cuts for the rich Ali asks whether in the absence of a progressive upheaval from below US politics is permanently mired in moderate Republicanism Already called a comprehensive account of the problems with Obama The Huffington Post this new edition is sure to provide a more powerful boost to Obama dissenters on the left Pittsburgh Post Gazette [Advertising and Branding: Concepts, Methodologies, Tools, and Applications](#) Management Association, Information Resources,2017-01-06 Effective marketing techniques are a driving force behind the success or failure of a particular product or service When utilized correctly such methods increase competitive advantage and customer engagement Advertising and Branding Concepts Methodologies Tools and Applications is a comprehensive reference source for the latest scholarly material on emerging technologies techniques strategies and theories for the development of advertising and branding campaigns in the modern marketplace Featuring extensive coverage across a range of topics such as customer retention brand identity and global advertising this innovative publication is ideally designed for professionals researchers academics students managers and practitioners actively involved in the marketing industry **China Safari** Serge Michel,Michel Beuret,2010-08-24 Describes the growing economic relationship between China and developing African nations claiming that the nation s lack of colonial past and political preconditions provides China a unique opportunity to help Africa direct its own fate **God and the Human Environment** Osunkwo Jude Thaddeus Ikenna,2015-07-02 God and the Human Environment Catholic Principles of Environmental Stewardship as a Template for Action in Nigeria brings into conversation the Churchs theological reflection on the mandate to care for Gods creation and the circumstances of the environment in Nigeria In vivid terms and with

systemic thinking Fr Jude Osunkwo a theologian who specializes in Environmental Studies and Pastoral Catechesis explores the biblical theological magisterial and doctrinal bases that underlie a faithful response to contemporary environmental challenges After setting the stage with a summation of the issues and a survey of significant ecclesiastical statements on the topic of the environment God and the Human Environment addresses Catholic theological principles of stewardship Christian responsibility and the ethics of development Then the discussion turns to the environment of Nigeria assessing its current state and reviewing the causes and consequences of environmental challenges before proposing pastoral responses for the Church Finally some chapters address likely developments in Nigeria and the Church An extensive bibliography and several appendices provide additional support God and the Human Environment is a rigorously researched and passionately presented exploration of the issues growing out of the environmental circumstances Nigerians currently face Whether you live in Nigeria or count yourself as a member of the Catholic Church and live somewhere else God and the Human Environment explores a topic that promises to make a difference in your life and to protect the part of the environment that God has created for you to tend
