Guess Whats In The Tide Pool:

Guess What's in the Tide Pool? Natalie Gagnon, 2013-01-13 Imagine a creature that can squeeze itself into a tiny crack to escape danger or disappear in a cloud of ink How about an animal that eats with its feet or one that squirts its guts out when it is frightened This book takes a look at some of the strange and wonderful creatures you may encounter when you visit a Southern California tide pool Most of these animals can be found throughout the Pacific coastline of North America from Canada to Baja California *Guess What's in the Tide Pool* engages children with its game like format and stunning color photographs Young explorers will be encouraged to learn more about the breathtaking yet fragile tide pool ecosystem Natalie Gagnon M Ed is an educator in Phoenix Arizona and a former naturalist in Southern California *The Lawyer and the Astronaut* Jerry Lucas, 2022-09-30 A fact based science fiction romance describing events that could happen in a few hundred years Josh frustrated and unemployed finally lands a job as an astronaut He is very excited about the prospect of exploring outer space He is sent to an Earth like planet 500 light years away The planet is millions of years younger than Earth so it closely mimics Earth during prehistoric times Meanwhile Josh's girlfriend Laura stays on Earth and agrees to be cryogenically frozen for 1250 years the length of time that Josh will be gone But Josh is one hundred years late and Laura is woken up She must forge a new life in the future with no idea if Josh will ever return Josh eventually does return amid a swirling controversy about his actions on the other planet Josh and Laura face this trouble together in a heart warming conclusion

Tide Pool Christiane Gunzi, 1998 Discusses the different kinds of plants and animals that can be found in tide pools and how they interact with each other **Tears of a Tiger** Sharon M. Draper, 2006-02-01 Andy tackles his guilt and grief in the first book of Sharon M Draper's award winning Hazelwood High trilogy Tigers don't cry or do they After the death of his longtime friend and fellow Hazelwood Tiger in a car accident Andy the driver blames himself and cannot get past his guilt and pain While his other friends have managed to work through their grief and move on Andy allows death to become the focus of his life In the months that follow the accident the lives of Andy and his friends are traced through a series of letters articles homework assignments and dialogues and it becomes clear that Tigers do indeed need to cry

Mindfulness in a Busy World Marie-Nathalie Beaudoin, Kelsey Maki, 2020-02-24 How can we increase the likelihood that people will be able to control their wandering mind let go of upsetting thoughts and feelings and apply the wisdom of mindfulness training to their day to day lives *Mindfulness in a Busy World* offers a bridge between the ancient wisdom of Eastern mindfulness teachings and the busy Western lifestyle of the tech era where an increasing number of people experience stress anxiety impatience and an inability to be present in meaningful interactions While traditional practices offer incredible possibilities of well being and development many people struggle to access these states of mind and ripen the skills to sustain them This book offers insights into ways of mobilizing the brain's attention systems so that distracted minds often habituated to the constant overstimulation of screens and media can more readily cultivate focus calm and kindness

Our society invests years in instructing people how to read write count and think critically but often forgets to support the crucial foundation of these abilities focusing the mind Learning to tame the mind allows people of all ages to live a more fulfilling life balancing being and doing thinking and feeling listening and talking compassion for self and others and being an individual while belonging to a community Distinctive features of this book Brain based strategies that render a focused mind within reach of everyday people Unique set of 18 breathing methods and over 27 other types of exercises which can quickly reset an agitated body or distracted mind Activities that make visible the remarkable powers of the mind to create and dissipate experiences of emotional or physical discomfort Specific strategies to facilitate inner peace and emotional regulation Simple but fascinating challenges only achievable through mindfulness that will leave people in awe of what their minds can do Intriguing collection of pain tolerance tests making it exciting to engage in the practices Mindfulness exercises that move beyond individual well being and extend to a felt sense of belonging to a diverse community Inventive ways of bringing forth kindness compassion and gratitude Engaging metaphors and fascinating facts that ignite people s curiosity about little known aspects of their physiology and help them connect to their bodies Words of wisdom meaningful stories inspiring quotes and thought provoking questions that help participants apply mindfulness practices to real life situations
