

The artwork is a collage by Hannah Höch. It features a large, central figure that is a bird, possibly a phoenix or a similar mythical creature, with a human face. The bird's body is a mix of brown and tan tones, with a large, white, feathered wing on the left side. The bird's legs are human-like, wearing dark trousers and white socks. The background is a light blue sky with a white, cloud-like shape at the top. The overall style is characteristic of the Weimar Republic era, with a focus on social and political commentary.
