

# It's The Hard-Knock Life

Words by Martin Chamin

Music by Charles Strouse

$\text{♩} = 84$   $\text{♪} = \text{♪} \text{♪}$

G

The musical score is written for piano and voice. It consists of four systems of music. The first system has a treble and bass staff with a G chord indicated above the treble staff. The second system continues the piano accompaniment. The third system introduces the vocal melody in the treble staff, with the lyrics 'It's the hard - knock' written below the notes. The fourth system continues the vocal melody and piano accompaniment, with lyrics 'life for us. It's the hard - knock life for us. "Ste - da treat - ed' written below the notes. Chords G, Bm, and C are indicated above the treble staff in the fourth system.

Seriously Mad Aleksei Grinenko, 2023-10-05 Explores the history of American musical theater's engagement with notions of madness from *Man of La Mancha* to *A Strange Loop*      *The Life of a Song* Jan Dalley, David Cheal, 2022-08-04 Discover the stories behind the songs *THE LIFE OF A SONG* contains the stories of 100 songs exploring each song's biography and how they took on a new life following their release Packed with intriguing factoids these bite-sized essays will delight music fans and send you scurrying back to listen to the songs in all their beauty and mystery Who knew that Paul McCartney originally referred to *Yesterday* as *Scrambled Eggs* because he couldn't think of any lyrics for his heart-breaking tune Or that Patti LaBelle didn't know what *Voulez vous coucher avec moi ce soir* actually meant These and countless other back stories fill this book Each 600 word piece gives a mini biography of a single song from its earliest form through the various covers and changes often morphing from one genre to another always focusing on the biography of the song itself while including the many famous artists who have performed or recorded it This book collects 100 of the best pieces from the highly successful *The Life of a Song* columns from the FT Weekend every Saturday Inside you'll find rock pop folk jazz and more Each piece is pithy sparkily written knowledgeable entertaining full of anecdotes and surprises They combine deep musical knowledge with the vivid background of the performers and musicians and of course the often intriguing social and political background against which the songs were created      *Children, Childhood, and Musical Theater* Donelle Ruwe, James Leve, 2020-02-19 Bringing together scholars from musicology literature childhood studies and theater this volume examines the ways in which children's musicals tap into adult nostalgia for childhood while appealing to the needs and consumer potential of the child The contributors take up a wide range of musicals including works inspired by the books of children's authors such as Roald Dahl P L Travers and Francis Hodgson Burnett created by Rodgers and Hammerstein Lionel Bart and other leading lights of musical theater or conceived for a cast made up entirely of children The collection examines musicals that propagate or complicate normative attitudes regarding what childhood is or should be It also considers the child performer in movie musicals as well as in professional and amateur stage musicals This far-ranging collection highlights the special place that musical theater occupies in the imaginations and lives of children as well as adults The collection comes at a time of increased importance of musical theater in the lives of children and young adults      **Down with Childhood** Paul Rekret, 2017-09-19 Sometimes popular music registers our concerns and anxieties more lucidly than we realise This is evident in the case of an ideal of childhood innocence in rapid decay in recent decades So claims *Down with Childhood* as it takes in psychedelia's preoccupation with rebirth and inner children the fascination with juvenilia amidst an ebbing UK rave scene and dozens of nursery rhyme hip hop choruses spawned by a hit Jay Z tune As it examines the often complex sets of meanings to which the occasional presence of children in pop songs attests the book pauses at *Musical Youth*'s Pass the Dutchie and other one-hit teen wonders the career paths of child stars including Michael Jackson and Britney Spears radical

experiments in free jazz and Black Panther influenced children's soul groups In the process a novel argument begins to emerge relating the often remarked crisis of childhood to changing experiences of work and play and ultimately to an ongoing capitalist crisis that underlies them

**Musical Theatre Script and Song Analysis Through the Ages** James Olm, 2021-12-16 How many times have you experienced a musical that was fabulous or just didn't work at all but you had no idea how to communicate why How do you differentiate between a flaw in the performance portrayal of a character to a structural flaw in the musical itself How do you analyse musical theatre songs that are so subjective in its very nature Is there even a common link of analysis between musicals from the Golden Age and musicals from the present day Musical Theatre Script and Song Analysis Through the Ages answers these questions and gives students of musical theatre the tools they need to understand and articulate how musicals work At the heart of any musical lie its music and lyrics yet it is this area that is least understood This book offers a brand new terminology of analysis that gets to the core of what holds a musical together the libretto music and lyrics Through identifying methods of lyric and musical analysis and applying these to ten different musicals throughout history students are able to ask questions such as why does this song sound this way what is this lyric doing to identify character purpose and how is a character communicating this feeling to an audience From classroom analysis through to practical application this text guides readers through a structured approach to understanding disseminating and more importantly articulating how a musical works A perfect tool for students of musical theatre its practical benefits of understanding the form and realizing that it can be applied to any age musical will benefit any theatre person in helping articulate all of those abstract feelings that are inherent in this art form It offers a roadmap to the musical's innermost DNA
