To Invent Is Divine James R. Edwards, 2025-04-23 Christians generally know that God created the heavens and the earth and made human beings in his image They know that the earth is the Lord's and the fullness thereof he owns his creations They know that skilled people create and own marvelous works But a disconnect often occurs when it comes to God's communicable attributes of creativity and ownership and that combination's role in human innovation technological progress and practical benefits from human creativity and ownership *To Invent Is Divine* connects the dots between creativity and ownership as well as the dots between that combination and the fruits of human flourishing

Gatorlands: The Worst Summer Ever Series Book 1 Ellie Crowe, 2018-12-21 Intensity skyrockets when a few teenagers on vacation in the Everglades go exploring and stumble on a house used for importing and selling exotic animals The Everglades were magical a maze of canals snaking into the surrounding swampland a wild with monster alligators everywhere How then was Megan supposed to just sit back and not explore the place The airboat ride out into the thick gray water world was so beautiful so calm how quickly things had changed She had begged Adam to take her and her siblings out on the boat But where were Sydney and Luke now Lost like she was of course but hurt Dead It was her impulsiveness that had gotten them stranded out here and drew the poachers' anger She wrapped her arms more tightly about the baby orangutan in her lap How could she live with herself if something happened to them Would she even have the chance The now familiar sound of someone or something sloshing through the muck reached her ears Who or what was coming The orangutan bared his teeth at the unknown and she closed her eyes She didn't want to know the answer She was too injured to climb out of this hole and calling for help could attract them One way or another she knew she wouldn't be getting out of here alone It was only a question of who would find her first
