tradition He learnt the Chinese painting techniques the hard way and this apprenticeship caused a certain stiffness or
conventionality in the works he produced during this period The mission he had to produce religious paintings reinforced this
tendency At the same time the discipline of Chinese painting greatly softened and enriched his sense of line and landscape
and his drawings were gradually filled with the spirit with the cosmic feature which Chinese painting aims at expressing But
the most striking feature of Mon Van Genechten s artistic evolution was his coming back to the popular compassionate vein
