breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality. Sexual abuse, sex addiction, gender confusion, brokenness, and shame plague today's world, and people are seeking clarity and hope. By contesting long-held cultural paradigms, this book equips you to see how sexuality is rooted in the broader context of God's heart and His work for us on earth. It provides a framework from which to understand the big picture of sexual challenges and wholeness and helps you recognize that every sexual question is ultimately a spiritual one. It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality. Instead of arguing with the world about what's right and wrong about sexual choices, this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness, your own or someone else's.
