Keys to the Kingdom II Rev. Dr. Gary Alexander Byrd, 2023-10-29 *Keys to the Kingdom II* reveals the hidden prophecies in the Bible by reimagining the scriptures *Keys II* challenges the traditional view or interpretation of both Genesis and Revelation by engaging ancient astrology and the Bible Numeric What emerges is a new truth in which Adam is not the first man God created This assertion only confirms the overwhelming evidence of the earliest humanoids existence on Earth as there is a long fossil record which predates Adam by a million years or more Evolutionist vs Creationist argument has raged for over a hundred years with either side satisfied with the others explanation There is nothing wrong with the Bible what is problematic is man's interpretation of the text which early church fathers and theologians never consider Earth's long anthropological archeological and astrological past By revealing the ancient astrology which is hidden in plain sight Revelation's apocalyptic code is finally cracked What is revealed is seventy to eighty percent of the Book of Revelation has already happened Biblical prophecy is real and trustworthy as this terminal generation will continue to experience a number of unprecedented hardships and disasters as the fulfillment of End of Days prophecies are now upon the world
