Pringle, 2013-12-17 This book is not really my letters to the next generation but rather Paul s the Apostle the master architect of the early church writing to his young mentee Timothy I have attempted to simply translate his thoughts verse by verse into our world today to help build new young ministers on the Word of God It is my commentary on 1st 2nd Timothy The Word needs to be the foundation of our ministries Too many have started well yet not lasted the distance As we pattern our leadership on the Word and not just management journals and leadership manuals I m convinced we are all better equipped to face all the challenges of building the eternal church Many also are needing to discover the power of the Word to fulfill their destiny deep within As we live in pathways laid down by the Apostle the same blessing that rested on him will be found on ourselves      **PEACE** Phil Pringle, 2016-04-16 Stress pressure anxiety depression rage terror and fear are just a few of the words we hear all the time in society today In the middle of all this we try desperately to seek a restful peaceful calm for our own souls for our families and our world God himself is the peace we seek There is no other source for genuine peace It cannot be counterfeited Jesus the Prince of Peace brings this peace to anyone connected to Him This book is about how we all can have internal peace of the heart mind and spirit      *Inspired to Pray* Phil Pringle, 2009-04-01 In this powerful and motivating book international pastor Phil Pringle invites readers to activate their spiritual lives by understanding prayer as a journey to the highest places of God He sees prayer as an art a craft to be developed and nurtured Prayer is much more than muttering religious words it is a connection with the God of heaven Himself Too often believers fail to bridge the gap between earth and heaven but active prayer releases the spirit into communion with God in another world His world As readers grow they will draw close to a loving God who desires relationship with all who are made in His image Moreover when we pray in close contact with God we see greater results on earth and in our lives Pringle appeals to the imagination and the soul and all who engage with these visionary teachings will discover a new dimension to the act and the art of prayer
