kid's coloring book As a child did you love coloring Do you want to take a mini vacation where you get to lose yourself for a bit and feel all zen and then come back refreshed and focused Are you looking for a safe and convenient way to go exploring within and discover something or many things about yourself Would you enjoy a good excuse to indulge in some serene solitude Do you miss that playful sense of wonder we older kids tend to run short on MAGIC MANDALAS Adult Coloring Book can help What you can expect from Magic Mandalas A Tool for Healing The theme of this coloring book is mandala Sanskrit for sacred circle Mandalas were used by the influential psychologist Carl Jung who had his patients work with them in order to encourage healing deep within the psyche Even Jung himself spent time each morning drawing and coloring his own mandalas Probably as much for self knowledge as for the fact that coloring is just plain FUN The Gift of Insight Many traditions have long embraced the transformative power of the mandala In the Buddhist tradition mandala art is used to depict the various demons and gods that capture our imagination good and less so Tribal healing ceremonies including those of the Navajo have use various forms of mandalas to better connect to the wisdom and energy of the earth and Mother Nature Delightful Variety In the spirit of fun and to avoid too much repetition not fun Magic Mandalas includes a variety of styles Some are truly traditional and others more of the moment including gasp squares rectangles and even paisley shapes In all there are 50 of them for you to play with and bring to life colorfully Single Sided Pages When images are printed on both sides of a page colors can bleed through Which means that markers sharpies and gel pens are out of the question Sure colored pencils are great but so are markers sharpies gel pens Magic Mandalas loves all the coloring tools which is why it's printed single sided Larger Size Pocket size books are nifty but if the images to be colored get too small the lines start to almost run together Which means your coloring experience can quickly morph from magic into a massive migraine In order to avoid infuriating your inner colorer Magic Mandalas is a roomy 8.5 x 8.5
