God's Mandate For Transforming Your Nation Dexter Low, 2016-08-02 What is the church's mission in the 21st century Malaysian apostle and missiologist Dexter Low says nation transformation must become our new agenda for fulfilling the Great Commission in our time The current model which calls for uniting the church's leaders worldwide to win 1 billion souls and plant 5 million churches by 2021 isn't working Ultimately it cannot because its emphasis on church planting and evangelism excludes social transformation But when the key pillars of social influence are also realigned according to kingdom principles then your nation any nation will be transformed God's Mandate for Transforming Your Nation provides practical instructions on advancing God's kingdom globally True examples of ways that lead to measurable results are included Low will both challenge and inspire you as a Christian leader to take a significant step forward in fulfilling the church's mission in the 21st century

China Demetrius Charles Boulger, 2022-09-16 In China Demetrius Charles Boulger

presents a comprehensive and nuanced exploration of China's rich history, culture, and political landscape during the late 19th century. Employing a blend of descriptive narrative and analytical discourse, Boulger's literary style echoes the Victorian penchant for erudition while remaining accessible to a broader audience. The book situates itself within the context of Western perceptions of China during a time marked by imperialism and burgeoning international trade, revealing both the complexities and simplicities of a civilization whose nuances were often overshadowed by Western dominance.

Demetrius Charles Boulger, an English author and political commentator, was deeply influenced by his experiences in the East and his interactions with its peoples. His works reflect not only his fascination with foreign cultures but also his critical eye towards colonial practices. Boulger's first-hand accounts and scholarly research into China's sociopolitical fabric make this book a significant contribution to both travel literature and historical scholarship, illustrating the author's dedication to understanding and conveying the realities of a misunderstood empire.

I highly recommend *China* to readers interested in Eastern history, cultural studies, and the dynamics of colonialism. Boulger's vivid storytelling combined with his scholarly rigor offers a compelling insight into a pivotal moment in China's past that continues to resonate in contemporary discussions about East-West relations.
