Dave Mason

Main Street Windows A Complete Guide To Disneys Whimsical Tributes:

Disney's Land Richard Snow,2019-12-03 A propulsive and entertaining The Wall Street Journal history chronicling the conception and creation of the iconic Disneyland theme park as told like never before by popular historian Richard Snow One day in the early 1950s Walt Disney stood looking over 240 acres of farmland in Anaheim California and imagined building a park where people could live among Mickey Mouse and Snow White in a world still powered by steam and fire for a day or a week or if the visitor is slightly mad forever Despite his wealth and fame exactly no one wanted Disney to build such a park Not his brother Roy who ran the company s finances not the bankers and not his wife Lillian Amusement parks at that time such as Coney Island were a generally despised business sagging and sordid remnants of bygone days Disney was told that he would only be heading toward financial ruin But Walt persevered initially financing the park against his own life insurance policy and later with sponsorship from ABC and the sale of thousands and thousands of Davy Crockett coonskin caps Disney assembled a talented team of engineers architects artists animators landscapers and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park The catch was that they had only a year and a day in which to build it On July 17 1955 Disneyland opened its gates and the first day was a disaster Disney was nearly suicidal with grief that he had failed on a grand scale But the curious masses kept coming and the rest is entertainment history Eight hundred million visitors have flocked to the park since then In Disney s Land Snow brings a historian s eye and a child s delight not to mention superb writing to the telling of this fascinating narrative Ken Burns that will entertain Disneyphiles and readers of popular American history Publishers Weekly

Popular New Orleans Florian Freitag,2020-10-01 New Orleans is unique which is precisely why there are many Crescent Cities all over the world for almost 150 years writers artists cultural brokers and entrepreneurs have drawn on and simultaneously contributed to New Orleans s fame and popularity by recreating the city in popular media from literature photographs and plays to movies television shows and theme parks Addressing students and fans of the city and of popular culture Popular New Orleans examines three pivotal moments in the history of New Orleans in popular media the creation of the popular image of the Crescent City during the late nineteenth century in the local color writings published in Scribner s Monthly Century Magazine the translation of this image into three dimensional immersive spaces during the twentieth century in Disney s theme parks and resorts in California Florida and Japan and the radical transformation of this image following Hurricane Katrina in public performances such as Mardi Gras parades and operas Covering visions of the Crescent City from George W Cable s Old Creole Days stories 1873 1876 to Disneyland s New Orleans Square 1966 to Rosalyn Story s opera Wading Home 2015 Popular New Orleans traces how popular images of New Orleans have changed from exceptional to exemplary

Main Street Windows Jeff Heimbuch,2014-09-30 As you walk down Main Street U S A have you ever looked up and wondered what the names on the windows mean Although the tradition of honoring people with a window has been around since Disneyland s opening day there has never been a comprehensive list

of them all Until now In this book you ll find a complete guide to all of the whimsical tributes at every Magic Kingdom park throughout the world complete with full color photos **Rita Aero's Walt Disney World, Odyssey Edition, Version 1.4**
