Making Gospel Sense James William McClendon (Jr.), 1995 **Care-full Preaching** G. Lee Ramsey, 2012-03-15 In Care full Preaching G Lee Ramsey Jr offers a new vision for how sermons can energize all members of a congregation to care for one another Using fresh images and sermons from Fred Craddock James Forbes Gina Stewart Barbara Brown Taylor and himself Ramsey demonstrates in practical ways how sermons can create a caring community **Re-membering the Body** Scott W. Bullard, 2013-11-01 For centuries Baptists have regarded the Eucharist or Lord's Supper as merely symbolic rather than as sacramental Historically speaking Baptists have also participated in the practice of the Supper less frequently than other Christian groups all the while lodging complaints about a lack of ecclesial unity In response to these trends this book argues for a sacramental understanding of the Eucharist and focuses on the way in which the Eucharist conveys grace by drawing the church together as the body of Christ It focuses especially on the theology of James Wm McClendon Jr who was Baptist but nonetheless illustrated that through the Eucharist God re-members the church as the body of Christ Together with Lutheran theologian Robert Jenson and Catholic theologian Cardinal Henri de Lubac McClendon's work has had an enormous impact on contemporary free church discussions about the Supper and ecclesial unity In a final chapter therefore the study examines a number of contemporary Baptists dubbed the new Baptist sacramentalists These men and women are influenced by McClendon Jenson and de Lubac and they offer a fresh approach to the ongoing puzzle of the church's disunity through the Eucharist **Twentieth-century Shapers of Baptist Social Ethics** Larry L. McSwain, William Loyd

Allen, 2008 *Twentieth Century Shapers of Baptist Social Ethics* provides an overview of the major historical framework within which Baptists emerged with significant contributions to Christian social thought and action in the twentieth century This book provides a summary of the life principal ideas writings and most significant contributions of nineteen Baptists since 1900

Gathering Together Rodney Wallace Kennedy, Derek C. Hatch, 2013-08-27 Concerned to think intentionally about liturgy in Baptist life and thought this book aims to address the practices of Christian worship in a theological light examining how each brings individual Christian believers and communities of faith to a greater understanding and embodiment of the gospel In this mode worship becomes a seamless garment that forms disciples of Christ and opens out toward the world In short theology worship and mission all intersect in the liturgical life of the body of Christ In addition to theological engagement with liturgical practices *Gathering Together* links reflection to praxis by offering sample patterns as a guide for reenvisioning the shape of Baptist and other free church worship
