Making Hope Happen Create The Future You Want For Yourself And Others:

Making Hope Happen Shane J. Lopez, 2013-03-05 Draws on research to offer strategies for adopting a high hope attitude and shaping a successful future and provides real life examples of people who create hope and have changed the lives of their communities

Making Hope Happen Shane J. Lopez, 2014-07-22 Some people manage to bounce back quickly from setbacks to lead happy healthy productive lives no matter their circumstances These people have found a way to make good things happen even when luck isn't on their side According to Shane Lopez the secret ingredient they use to transform their lives it turns out is hope Using discoveries from the largest study of hopeful people ever conducted the author works to show that hope is not just an emotion but an essential life tool In addition Lopez shares the uplifting stories of real people who have created hope in their own lives and communities from a CEO who befriended a curious nine year old to a college student who is thriving after two heart transplants

WHOLE Melissa Moore, Michele Matrisciani, 2016-09-13 A five point plan to usher you through heartache and toward a stronger healthier place I know how to kill someone and get away with it The words spoken by her father when Melissa was a teen haunt her to this day Two years later after confessing that he was the serial killer nationally known as the Happy Face Killer Keith Jesperson was arrested for the murder of eight women The pain guilt and shame that followed her father's conviction stigmatized Melissa for years until she figured out a way to use her emotions as fuel to free herself from self imposed limits and set out on a journey to rebuild her fragmented life Through her work as an Emmy nominated investigative journalist television host educator and advocate Melissa created **WHOLE** a five step program to better develop her own approach to healing Watch the Storm Heal Your Heart Open Your Mind Leverage Your Power and Elevate Your Spirit Among other things she found that the commitment to your core values makes all the difference in getting unstuck that forgiveness gives the greatest chance of making a future not defined by the past that there is great value in vulnerability that creativity is essential to living a full life and that hope is the basis for everything we feel believe and do In each phase of the program Melissa inspires you to embrace your past to find wholeness within the parts of your life that you believe to be broken If you are stuck in the rut of a painful experience whether depression trauma pain fear addiction or guilt you will find comfort in this book's advice self evaluation and action plans **WHOLE** is a powerful journey of recovery and awakening that reframes the pain experience so it can be used as a way to invite understanding growth and transformation into your life

The Oxford Handbook of Hope Matthew W. Gallagher, Shane J. Lopez, 2018 Hope has long been a topic of interest for psychologists, philosophers, educators, and physicians. In the past few decades, researchers from various disciplines and from around the world have studied how hope relates to superior academic performance, improved outcomes in the workplace, and improved psychological and physical health in individuals of all ages. Edited by Matthew W. Gallagher and the late Shane J. Lopez, *The Oxford Handbook of Hope* provides readers with a thorough and comprehensive update on the past 25 years of hope research while simultaneously providing an outline of what leading hope researchers believe the future of this line of research to be. In this extraordinary volume, Gallagher, Lopez, and their expert team of contributors discuss such topics as how best to define hope, how hope is distinguished from related philosophical and psychological constructs, what the current best practices are for measuring and quantifying hope, interventions and strategies for promoting hope across a variety of settings, the impact it has on physical and mental health, and the ways in which hope promotes positive functioning. Throughout its pages, these experts review what is currently known about hope and identify the topics and questions that will help guide the next decade of research ahead.
