Making Heirloom Toys

Jim Makowski's wooden toys show an attention to detail and sophistication of design that set them apart from the usual run-of-the-mill toy projects. This collection of toys includes 22 projects, primarily featuring transportation toys (cars, trains, boats), planes and boats, and educational toys.

For each project, there's a full-page photo of the toy, detailed drawings and patterns, a parts list, construction photos, and clear, step-by-step instructions on how to make the toy. A color gallery shows the finished toys in all their glory. Two introductory chapters

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
