The Kennel Murder Case Willard Huntington Wright, Willard Huntington,2018-01-17 The Kennel Murder Case is a bit of a misnomer A dog is involved actually 2 but they are the loose ends that need to be tied up The case could be called Death of Chinese Pottery Collector that pissed off his entire family and all he came in contact This is a locked room mystery or in this case bolted from the inside The victim appears to have died from suicide But once the door is broken down and the body is examined Murder is revealed Without giving away any spoilers the reason this is fine example of the Philo Vance stories is the crazy twists turns and characters that fill the mystery Just when you think it couldn t get stranger it does And then you wonder how the heck is this going to be solved This is certainly a good one and funnily Markham s quip near the end enlightens Vance how the whole thing played out In this story besides hearing more about Chinese Pottery history you get to hear about Dog history and showing off the breeds
