Translating Feminism in China Zhongli Yu, 2015-06-05 This book explores translation of feminism in China through examining several Chinese translations of two typical feminist works The Second Sex TSS Beauvoir 1949 1952 and The Vagina Monologues TVM Ensler 1998 TSS exposes the cultural construction of woman while TVM reveals the pervasiveness of sexual oppression toward women The female body and female sexuality including lesbian sexuality constitute a challenge to the Chinese translators due to cultural differences and sexuality still being a sensitive topic in China This book investigates from gender and feminist perspectives how TSS and TVM have been translated and received in China with special attention to how the translators meet the challenges Since translation is the gateway to the reception of feminism an examination of the translations should reveal the response to feminism of the translator as the first reader and gatekeeper and how feminism is translated both ideologically and technically in China The translators decisions are

discussed within the social historical and political contexts Translating Feminism in China discusses among other issues Feminist Translation Practice Theory and Studies Translating the Female Body and Sexuality Translating Lesbianism Censorship Sexuality and Translation This book will be relevant to postgraduate students and researchers of translation studies It will also interest academics interested in feminism gender studies and Chinese literature and culture Zhongli Yu is Assistant Professor of Translation Studies at the University of Nottingham Ningbo China UNNC

Literary Translation Research in China Roberto A. Valdeón, Yubin Zhao, 2023-05-22 This book provides an overview of the research carried out by Chinese scholars in the field of literary translation Although literary translation accounts for a small percentage of the translations produced every year the interest into its cultural and historical significance continues to attract the interest of academics notably in China The contributors to the book engage in theoretical discussions compare source and target texts discuss the role of patronage and analyze the translation of unique cultural artefacts such as Chinese calligraphy Their approaches range from the use of corpus based studies to the use of mixed quantitative and qualitative methods to compare readers views This book will be of interest to researchers and advanced students of Linguistics Literature Translation Studies and Cultural Studies It was originally published as a special issue of the journal Perspectives Studies in Translation Theory and Practice

Feminist Translation Studies Olga Castro, Emek Ergun, 2017-02-17 Feminist Translation Studies Local and Transnational Perspectives situates feminist translation as political activism Chapters highlight the multiple agendas and visions of feminist translation and the different political voices and cultural heritages through which it speaks across times and places addressing the question of how both literary and nonliterary discourses migrate and contribute to local and transnational processes of feminist knowledge building and political activism This collection does not pursue a narrow fixed definition of feminism that is based solely on Eurocentric or West centric gender politics rather Feminist Translation Studies Local and Transnational Perspectives seeks to expand our understanding of feminist action not only to include feminist translation as resistance against multiple forms of domination but also to rethink feminist translation through feminist theories and practices developed in different geohistorical and disciplinary contexts In so doing the collection expands the geopolitical sociocultural and historical scope of the field from different disciplinary perspectives pointing towards a more transnational interdisciplinary and overtly political conceptualization of translation studies

A History of Modern Translation Knowledge Lieven D'hulst, Yves Gambier, 2018-06-28 A History of Modern Translation Knowledge is the first attempt to map the coming into being of modern thinking about translation It breaks with the well established tradition of viewing history through the reductive lens of schools theories turns or interdisciplinary exchanges It also challenges the artificial distinction between past and present and it sustains that the latter s historical roots go back far beyond the 1970s Translation Studies is but part of a broader set of discourses on translation we propose to label translation knowledge This book concentrates on seven processes that make up the history of modern translation knowledge generating mapping

internationalising historicising analysing disseminating and applying knowledge All processes are covered by 58 domain experts and allocated over 55 chapters with cross references This book is indispensable reading for advanced Master and PhD students in Translation Studies who need background information on the history of their field with relevance for Europe the Americas and large parts of Asia It will also interest students and scholars working in cultural and social history *The Routledge Handbook of the History of Translation Studies* Anne Lange, Daniele Monticelli, Christopher Rundle, 2024-03-20 The Routledge Handbook of the History of Translation Studies is an exploration of the history of translation and interpreting studies TIS as a field of intellectual enquiry The volume covers the evolution of thinking on translation from the earliest discourses in Assyria Egypt Israel China India Greece and Rome up to the early 20th century when TIS emerged as an identifiable academic field The volume also traces the institutionalization of TIS and its key concepts from their beginnings in the 1920s in Ukraine up to their contemporary interdisciplinary manifestations Written by leading international scholars many of whom played a direct role in the events they describe the chapters in this volume provide a comprehensive and in depth account of the birth and consolidation of translation and interpreting studies as a thriving interdiscipline With a focus on providing readers with the methodological and theoretical tools they need to conduct research as well as background in the historiography of TIS this handbook is an indispensable resource for all students and researchers of translation and interpreting studies Dictionary of Education and Assessment in Translation and Interpreting Studies (TIS) Vorya Dastyar, 2018-11-23 This book is the first and only dictionary on education and assessment in the context of translator and interpreter training It offers the reader in depth and up to date knowledge regarding key issues of the education and assessment of translators and interpreters including how best to train translators and interpreters and how best to assess their performance in pedagogical settings It contains key terms defined and discussed with a broad focus and arranged alphabetically It will serve as a valuable resource for academic researchers educators and assessors in translation and interpreting studies as well as practitioners and students of translation and interpreting studies **Routledge**

Encyclopedia of Translation Studies Mona Baker, Kirsten Malmkjær, 2001 Drawing on the expertise of over 90 contributors from more than 30 countries this work offers a detailed overview of translation studies **Intra- and Interlingual Translation in Flux** Višnja Jovanović, 2023-02-17 This book extends new lines of inquiry on intra and interlingual translation building on Jakobson's classification of translational relations to take into account the full complexity of language and the role of social dimensions in fostering linguistic unity and identity Jovanović argues that intra and interlingual translation do not form a stable relationship but in fact are both contingent on how languages and their borders are defined Chapters unpack the causes and effects of this instability through the lens of Serbo-Croatian literature where the impact of sociopolitical pressure on language over time can be keenly observed Drawing on work from translation studies sociolinguistics close reading distant reading and discourse analysis Jovanović charts how linguistic fluidity where linguistic

borders are challenged at both the macro and the micro level as a result of sociopolitical change in turns shapes literary and cultural circulation In its examination of the intersection of the linguistic and social in translational relations in the Serbo Croatian context the book can offer wider insights into better understanding the literary and translational landscape of analogous sociolinguistic and geographic milieus This volume will be of interest to scholars in literary translation translation theory sociology of translation comparative literature and multilingualism
