Climate Change Adaptation Manual Andrea Prutsch,Torsten Grothmann,Sabine McCallum,Inke Schauser,Rob Swart,2014-02-24 Due to the lack of success in climate change mitigation efforts the importance of adaptation is becoming more and more apparent and is now one of the main imperatives of international research and action However research on adaptation is mostly not directly applicable to adaptation policy or practice leaving a gap between scientific results and practical advice for decision makers and planners This book seeks to address this problem and bridge the gap and should provide readers with practical and applicable information on climate change adaptation Following an introduction the book is organised into four main sections each reflecting an essential component in the adaptation process Climate change adaptation is an emerging subject area and has gained increased political and academic attention within the last decade Whereas most books in the field focus on adaptation in developing countries this volume provides an examination of predominantly European policy and offers inter disciplinary insight into cutting edge knowledge and lessons learnt in a relatively new field of implementation

Windows 8.1: The Missing Manual David Pogue,2013-11-26 Windows 8 1 continues the evolution of the most radical redesign in Microsoft s history It combines the familiar Windows desktop with a new touchscreen friendly world of tiles and full screen apps Luckily David Pogue is back to help you make sense of it with humor authority and 500 illustrations The important stuff you need to know What s new in 8 1 The update to 8 1 offers new apps a universal Search the return of the Start menu and several zillion other nips and tucks New features Storage Spaces Windows To Go File Histories if Microsoft wrote it this book covers it Security Protect your PC from viruses spyware spam sick hard drives and out of control kids The network HomeGroups connecting from the road mail Web music streaming among PCs this book has your network covered The software Media Center Photo Gallery Internet Explorer speech recognition this one authoritative witty guide makes it all crystal clear It s the book that should have been in the box

The Wizard's Dilemma Diane Duane,2002-08-01 A novel filled with very credible teen angst morality and an intriguing blend of science fiction and fantasy from the author of *A Wizard Abroad* School Library Journal Still recovering from an overly eventful vacation in Ireland teenage wizard Nita Callahan is looking forward to some peace and quiet in her suburban New York home Instead her close friend Kit seems to be acting a little weird and Nita keeps running into problems for which wizardry either isn t the answer or else it s the wrong one How do you fix what can t be fixed Only the Transcendent Pig knows and it s not telling But Nita needs to find out and soon Her wizardly partnership with Kit starts to fall apart Much worse her mother gets sick so sick she may never leave the hospital Only one person can help Nita the One she s devoted her life to fighting Powerful and satisfying Kirkus Reviews starred review A gripping and dynamic fantasy Fans of the author will flock to this new adventure which likely will bring new readers to the series VOYA Praise for the Young Wizards series Duane is tops in the high
