Magic City James W. Hall, 2008-02-05 A simple black and white photograph taken during the 1964 Cassius Clay Sonny Liston fight on Miami Beach may hold the key to a horrific politically motivated crime forty two years earlier After it mysteriously reappears the photo is burned in an act of arson that sets off a modern day killing spree reaching from the quiet neighborhoods of Miami to the back corridors of the White House What the killer did not know is that a copy of the photograph still remains When it falls into Thorn s hands he and everyone he close to him including his beloved Alexandra become the targets of madmen and trained hitmen each of whom has a powerful motive to see the photograph destroyed and will go to murderous lengths to make it disappear forever **Sequels** Janet G.
