Bridge of Spies Giles Whittell,2010-11-09 Who were the three men the Soviet and American superpowers exchanged on Berlin's Glienicke Bridge on February 10 1962 in the first and most legendary prisoner exchange between East and West Bridge of Spies vividly traces the journeys of these men whose fate defines the complex conflicts that characterized the most dangerous years of the Cold War Bridge of Spies is a true story of three men a Soviet Spy who was a master of disguise Gary Powers an American who was captured when his spy plane was shot down by the Russians and Frederic Pryor a young American doctor mistakenly identified as a spy and captured by the Soviets The men in this three way political swap had been drawn into the nadir of the Cold War by duty and curiosity and the same tragicomedy of errors that induced Khrushchev to send missiles to Castro Two of them the spy and the pilot were the original seekers of weapons of mass destruction The third was an intellectual in over his head They were rescued against daunting odds by fate and by their families and then all but forgotten Even the U2 spy plane pilot Powers is remembered now chiefly for the way he was vilified in the U S on his return Yet the fates of those men exemplified the pathological mistrust that fueled the arms race for the next 30 years This is their story *Unifying the Universe* Hasan S. Padamsee,2020-02-07 Unifying the Universe The Physics of Heaven and Earth presents a non technical approach to physics for the lay science enthusiast This popular textbook which evolved from a conceptual course at Cornell University is intended for non science undergraduate students taking their first physics module This second edition maintains its unique approach in crossing boundaries between physics and humanities with connections to art poetry history and philosophy It explores how the process of scientific thought is inextricably linked with cultural creative and aesthetic aspects of human endeavor opening the readers up to new ways of looking at the world The text has been fully updated throughout to address current and exciting new topics in the field such as exo planets the accelerating Universe dark matter dark energy gravitational waves super symmetry string theory big bang cosmology and the Higgs

boson There is also an entirely new chapter on the Quantum World which connects the fascinating topics of quantum entanglement and quantum computing Key Features Provides a solid yet accessible background to basic physics without complex mathematics Uses a human interest approach to show how science is significant for more than its technological consequences Discusses the arts and philosophies of historical periods that are pertinent to the subject **Air Corps News Letter** ,1960 LifeQuest Mark Chironna,2015-02-04 Move from Unconscious Living to Wide Awake Destiny Have you taken a leap of faith in life only to discover that you have crossed an invisible threshold that seems to have launched you into an unfamiliar place where nothing looks or works the way it used to Do you feel stranded on strange seas without a map or a compass Does it feel as if you are drifting through life without a rudder or as if you are rowing hard but getting nowhere fast hitting stronger more contrary winds than you anticipated Do you feel stuck between a former somewhere to which you cannot return and a new somewhere that you cannot seem to reach Welcome to the gap You are living in a messy but miraculous patch of real estate albeit in the unstable element of the baptismal waters of life s transitions that lies between your current reality and the location of your desired destiny Traversing this gap is a vital step in the journey of all human beings regardless of their race gender or creed The assumption that God is in control of absolutely everything in our life will be challenged as we enter the gap to find that this notion isn t necessarily so Rather the choices we make determine the outcomes we receive When you arrived on this planet you weren t handed a script to memorize and follow You have had to walk by faith from the moment you learned to put one foot in front of the other You were surely created with a grand design in mind one that includes your capacity to invoke evoke and provoke personal destiny Calling your destiny into being requires your intentional participation and cooperation Through LifeQuest seasoned people helper semiotician professional certified coach and master consultant Dr Mark Chironna will guide you in charting a course for your life s journey He will help you to ask the right questions encourage you to explore the mysterious gap between your current reality and your future destiny and show you that change is not your enemy Get started on your LifeQuest today Spectacular Digital Effects Kristen Whissel,2014-02-05 By developing the concept of the digital effects emblem Kristen Whissel contributes a new analytic rubric to cinema studies An effects emblem is a spectacular computer generated visual effect that gives stunning expression to a film s key themes Although they elicit feelings of astonishment and wonder effects emblems do not interrupt narrative but are continuous with story and characterization and highlight the narrative stakes of a film Focusing on spectacular digital visual effects in live action films made between 1989 and 2011 Whissel identifies and examines four effects emblems the illusion of gravity defying vertical movement massive digital multitudes or swarms photorealistic digital creatures and morphing plasmatic figures Across films such as Avatar The Matrix the Lord of the Rings trilogy Jurassic Park Titanic and Crouching Tiger Hidden Dragon these effects emblems heighten the narrative drama by contrasting power with powerlessness life with death freedom with constraint and the individual with the collective *A Rainbow Heart* Lara
