Maintenance Man II Politics Everyone:

Maintenance Man II - Paperback Michael Baisden, 2012-04-01 Baisden builds upon the saga of his former main character Malcolm Tremell a gigolo who first came to life in Baisden's 1999 release *The Maintenance Man*. The *Maintenance Man* saw the author gain notoriety for unapologetically disclosing the lifestyle of a man who rendezvoused for pay with married women. The original *Maintenance Man* followed a litany of releases including *Men Cry In The Dark*, *God's Gift To Women*, *Do Men Know What They Want* and solidified his stance as one of the most successful self-published male authors on the literary scene. With *Maintenance Man II* Baisden broadens the storyline as Tremell comes out of retirement to not only rebuild his contact list of high-end female clientele but also franchise a male escort service worldwide. Intrigue, drama, and danger quickly come into play when Tremell liaisons with the wife of a powerful and corrupt Republican senator. When they unwittingly uncover the senator's underhanded deal with the powerful Kross brothers for political control, Tremell will have to tap his military training and street smarts to not only save his life but also those closest to him. Baisden once again educates as he entertains brilliantly, engaging his readers. Utilizing Malcolm Tremell as the ultimate Renaissance man protagonist, he brazenly unveils several harsh and dark realities behind the current political process. He skillfully touches on some of the most critical political issues to date, including voter suppression as well as corporate greed, seamlessly interspersing them between a romantic and politically charged plot. The novel's tone is captivating and inviting, whisking the reader into a non-stop escapade of sex, action, and adventure. After years of being out of the gigolo lifestyle, Malcolm has to rebuild his list of contacts and high-end clientele. But he still has his good looks, his Rolodex, and his reputation. This time he vows that nothing will stand in his way of getting back on top and creating a franchise of escort services worldwide. He disguises his gigolo lifestyle as a nightclub owner in Miami, the perfect cover to mix business with pleasure. Mech, 1980

Everybody's Magazine, 1918 The Roots of Character Antonio L. McDaniel, 2011-10-25 The most elaborate and impressive building built with the highest quality materials will not stand if its foundation is weak. Likewise, before a hurricane, there is comfort in the strength of design and construction. Similarly, large trees with huge trunks can be toppled due to shallow roots. People are no different unless your roots are well developed; then the storms of life may have you blowing in the wind or cracking under pressure. *The Roots of Character* details this development process to help individuals create and maintain a stable and productive life. Additionally, this book includes character development exercises that will allow you to discover who you are while simultaneously documenting who you want to become. These exercises are thought-provoking and will give you a personal revelation about why you do what you do. More importantly, it will start you on the path to do what you need you to do to maintain a lifestyle of development. **Masked Intentions** Allan Joseph, 2010-10-25 In the late 70s, China was an awakening giant. Decades of depressing self-sufficiency theories left the country technologically, industrially, and agriculturally backward.
