Flight Patterns Karen White, 2017-03-28 The New York Times bestselling author of the Tradd Street novels tells the story of a woman coming home to the family she left behind and to the woman she always wanted to be Georgia Chambers has spent her life sifting through other people's pasts while trying to forget her own But then her work as an expert on fine china especially Limoges requires her to return to the one place she swore she'd never revisit It has been ten years since Georgia left her family home on the coast of Florida and nothing much has changed except that there are fewer oysters and more tourists She finds solace in seeing her grandfather still toiling away in the apiary where she spent much of her childhood but

encountering her estranged mother and sister leaves her rattled Seeing them after all this time makes Georgia realize that something has been missing and unless she finds a way to heal these rifts she will forever be living vicariously through other people's remnants To embrace her own life mistakes and all she will have to find the courage to confront the ghosts of her past and the secrets she was forced to keep **READERS GUIDE INCLUDED** *Maisy's Favorite Color* Lucy Cousins,1999-03-03 *The Devil's Weakness* Murphy Wallace,2022-04-10 Ruthless Wicked Predator I've been called many things most of which are true But when you're an outlaw you wear those words like badges of honor on your cut I grew up in the Devil's Skull MC It's all I know It's all I've ever wanted to be Until I met her She's feisty smart and way too good for the likes of a dirtbag like me But I can't stay away from her For two years I've watched her from a distance wishing our circumstances allowed for me to be the kind of man she deserves When the chance to get close to her finally arrives it's only to drag her home so she can answer for her crimes Finding her was the easy part Bringing her in sealed her fate Claiming her was the final nail in her coffin *The Devil's Promise* Murphy Wallace,2022-07-11 PROTECTED WORSHIPPED HIS If the past has taught me anything it's that the safest place for me is in Blade's arms Our souls are two pieces of the same scarred and fragile puzzle We got our happily ever after and attempting to cut him out of my life is something I will never do again Or so I thought Even the hardest stone crumbles under pressure and our once unbreakable bond is being tested in a way neither of us are prepared for The road we've walked has always been paved in landmines rather than gold and we've hit countless snags along the way but have always made it out alive This time feels different though Will our love get blown to pieces Or will this restore what's been broken *The Lords of Sutherland* Murphy Wallace,2021-04-12 From Author Murphy Wallace comes a romantic taboo retelling about a princess in search of her long lost family For eighteen years I've been weighed down by an emptiness that consumes me One that cannot be filled with jewels or fancy dresses nor with the warm touch of another I've grown but I don't feel like I've lived a single day I'm constantly surrounded by people and yet I feel completely alone With each day that passes my yearning to escape the confines of my gilded prison grows but I'm too afraid to brave the outside world Until I learn of my brothers My flesh and blood who were sentenced to death on the day I was born The emptiness I've felt is nothing compared to the hardship they've endured because of their forced absence I need to know them to care for them to love them When I find them I want nothing more than to begin our new life together I didn't anticipate their hatred toward me I was naive to think they wouldn't resent me I certainly never expected their punishing touch to permeate my body and soul and leave me begging for more Media Review Digest C. Release Me Murphy Wallace,2024-06-29 I knew I had to help Brynn Holliday the moment I saw her restrained to her bed in a cell at the Meadowlake Institute writhing in pain and unable to achieve the release she desperately needed What I didn't know however was how much I needed her To own her To possess her To make every wild and dangerous desire of hers come true She provokes the dominant in me I thought I buried years ago The havoc she causes in my life is more than I've

ever let one of my submissives get away with in the past but Brynn is nothing like any of the submissives I've had before She's tenacious She's formidable She's spirited She's everything I never knew I needed And she's all mine **Picture This, Imagine That, READ! ,2003**
