Inside a Cutter's Mind Jerusha Clark,2014-02-27 Cutting is a practice that has crossed age and gender lines It s not just depressed teens who inflict injury on themselves it can be anyone dealing with overwhelming feelings This book explores the complex issue of cutting without offering any pat or simple fixes It examines the psychology of the feelings of anger and despair behind it and the counseling resources that can help This book is a great tool to help those who engage in cutting pastors who want to learn more or those who need to understand someone who practices self injury

Shock Therapy Tomas Matza,2018-06-01 After the collapse of the Soviet Union Russia witnessed a dramatic increase in psychotherapeutic options which promoted social connection while advancing new forms of capitalist subjectivity amid often wrenching social and economic transformations In Shock Therapy Tomas Matza provides an ethnography of post Soviet Saint Petersburg following psychotherapists psychologists and their clients as they navigate the challenges of post Soviet life Juxtaposing personal growth and success seminars for elites with crisis counseling and remedial interventions for those on public assistance Matza shows how profound inequalities are emerging in contemporary Russia in

increasingly intimate ways as matters of selfhood Extending anthropologies of neoliberalism and care in new directions Matza offers a profound meditation on the interplay between ethics therapy and biopolitics as well as a sensitive portrait of everyday caring practices in the face of the confounding promise of postsocialist democracy Coming Home to Raise Your Children Christine M. Field,1995 As a trial lawyer Field knew she would miss the adrenaline rush of the closing argument when she quit law for full time home nurturing of her two daughters She didn't anticipate how challenging exciting and rewarding her new career would be While noting that the transition from office to home may not fit every situation Field describes its benefits and problems For Our Own Good: the Politics of Parenting in an Ailing Society Erica Etelson,2010-06-23 For Our Own Good examines the psycho social and political repercussions of prevailing approaches to child rearing Learn why warm and nurturing parents produce secure altruistic children who go on to form progressive political beliefs while the children of punitive authoritarian parents are bound by fear and shame to support right wing causes and candidates If you've ever wondered how big a role parenting plays in shaping personality and the political and cultural values of the broader society this book is a must read Strictly Parenting Michael Carr-Gregg,2014-08-27 If you want to land your kids in therapy then by all means give them everything under the sun In his work as a family psychologist Michael Carr Gregg has noticed a worrying trend in our modern parenting styles which sees kids running riot and parents running for cover In our desire to give our kids the best we may have given them way too much and overlooked the importance of setting boundaries He believes it's a recipe for disaster In Strictly Parenting Michael asks parents to take a good hard look at the way they are parenting to toughen up and stop trying to be their kids best friends He instead offers practical evidence based solutions on how to take back the reins and start making the most of the precious family years With a user friendly A Z guide covering all the tricky issues that parents encounter over the years everything from birthday parties and bedtimes to sex and drugs this is an invaluable and very timely resource for parents of all school aged kids **Leaving L.A.** Kate Christie,2011-01-01 Movie star Tessa Flanagan has retired from the Hollywood grind with a string of popular and critical successes behind her Now her days revolve around spending time with her daughter Laya and launching a new career in philanthropy She doesn't expect a brief encounter with Eleanor Chapin Laya's new kindergarten teacher to make a lasting impression As the end of the school year nears however Tessa realizes that her daughter's beloved Miss Chapin may be the perfect nanny for the summer Natural and direct Eleanor already understands Laya's need for life out of the public eye Even though it means inviting a stranger into their household Tessa is certain her own carefully guarded secrets will not be at risk For Eleanor L.A. is merely a stop between Boston and a long awaited Ph.D. program But the job offer from Tessa Flanagan is so lucrative she is tempted to put her plans on hold The idea of working closely with Tessa is equally enticing but the job is about Laya There's no reason not to take it after all she'll be leaving L.A. soon Kate Christie explores the distance from Chicago's South Side to the Hollywood Hills from bucolic New England to lush Kauai through the passionate connection

t be either Emma Cartmell CEO CHS Group Verbal First Aid Judith Simon Prager, Judith Acosta, 2010-06-01 Words as Medicine What to say to your children to get them through the bumps bruises and crises of childhood Falling off a bike having a bad dream getting stitches sometimes a kiss isn't enough to make it all better But what you say to your child in those first moments of pain or fear could make all the difference Using techniques the authors have taught to doctors nurses and first responders Verbal First Aid tm explains how words can be used to promote healing from burns bruises nightmares asthma attacks and more It provides scripts and tips on how to short circuit traumatic memories sometimes just by speaking a sentence or two This revolutionary book gives parents the responses they need to immediately stabilize their children's emotions And these methods will build a foundation of confidence and inner strength that will help kids heal at the deepest level and weather whatever hardships and difficulties they encounter throughout life **Flip the Script** Brittany Estes, 2023-03-14 Don't let harmful dialogues play through your mind it's time to flip the script and reclaim your joy Soon you'll begin to see life in a brand new way Negative broken lie filled sentences fill your head as you work play and go about your life These scripts are sidelining you maligning you harming you What if there were another way What if your life didn't have to be defined by what others say Or even by what you say to yourself over and over What if you knew that beauty and life are yours to be found and you finally danced in the freedom that awaits you There is more for you friend so much more You can learn how to silence all the negative scripts so you can hear the One who really matters and live the exuberant positive life meant for you In this book you'll finally uncover the scripts that have broken you down The great news is that you are never broken beyond repair Learn how God gently collects all your broken pieces and puts them back together as you retrain your mind to think differently about your situation God and your world Parenting Your Premature Baby and Child Deborah L. Davis, 2004 The premature birth of a baby is a medical crisis The many medical and developmental challenges that a preemie faces can overwhelm parents This book provides parents with suggestions and support for coping adjusting and finding their way **Raising a Kid Who Can** Catherine McCarthy, Heather Tedesco, Jennifer Weaver, 2023-09-12 Three mental health professionals cut through the parenting advice noise with this accessible easy to skim book filled with actionable strategies and tips to build a child's capacity to thrive where they are planted in good times and bad It's time to parent smarter not harder Filled with scientifically based and eminently actionable advice and strategies Raising a Kid Who Can boils down the ten essential things that every child needs to thrive so that parents can stop drowning in information and get to the business of raising healthier happier humans Written by three mental health professionals who work with families organized for easy skimming and designed to be useful at any stage in a child's life the book devotes one short impactful chapter per principle including Resilience Attention and Self Control Psychological Flexibility Self Motivation Compassion and Gratitude The result is a new approach to a parenting guide one that takes a wholistic approach to nurturing a child's development and help parents get right to the information they need when they need it *Twinsight* Dara Lovitz, 2018-03-01 It's a fact twins

experience life differently than singleton children. They're compared to each other in everything from athletics to academics. They encounter unique social issues: what happens when one child is invited to a social outing while her twin is not? They can even have difficulty forming deep relationships outside of the twinship. Yet no book effectively helps parents navigate these unique emotional challenges until now. In the first book written on the emotional needs of twins, *Twinsight: How to Raise Emotionally Healthy Twins*, bypasses the usual discussions on how to pay for two tuitions, a conundrum to be sure, and instead tackles deeper questions: How do you help twins feel like individuals? Should they be expected to be each other's caretaker? How can a parent avoid comparing? How can you encourage relationships outside the twinship and more. Drawing on over eighty interviews with adult twins and their non-twin siblings as well as expert insights from educators and psychologists and exhaustive research, author Dara Lovitz offers parents a definitive roadmap to raising emotionally healthy twins now and into the future.
