Going Real: The Value of Design in the Era of PostCapitalism Giovanni Innella,Marco Petroni,2019-10-31 In the age of post capitalism what is the value of design Is value defined by economic potential Or is it something far less tangible Now more than ever design has the ability to engage us in economic political and cultural debate to actively resist the monotony of daily life and to counteract the precarious situation on which modern society seems to rest Positioning itself as a lens through which to view the world design allows us and in some cases even forces us to reflect on the many aspects of the societies in which we live Divided into three chapters GOING REAL positions itself in relation to the works of Marc Jongen Maurizio Lazzarato Adam Greenfield and Tiziana Terranova among others However unlike the abovementioned authors this book draws on the works of selected designers and artists to reflect on the economic political and cultural aspects of our post capitalist societies Beginning with an in depth case study of Detroit during the downfall of the industrial era this volume moves on to a timely and provocative insight into the human crises surrounding current migration trends with a particular focus on Calais Finally in the third chapter the human body itself is laid bare as the authors analyse how and why the most personal of spaces became not only the ultimate marketplace for businesses but also an object of control for governments

Graphic Design Stephen J. Eskilson,2019-05-21 A classic and indispensable account of graphic design history from the Industrial Revolution to the present Now in its third edition this acclaimed survey explores the evolution of graphic design from the 19th century to the present day Following an exploration of design s prehistory in ancient civilizations through the Industrial Revolution author Stephen J Eskilson argues that modern design as we know it grew out of the influence of Victorian age reformers He traces the emergence of modernist design styles in the early 20th century examining the wartime politicization of regional styles Richly contextualized chapters chronicle the history of the Bauhaus and the rise of the International Style in the 1950s and 60s and the postmodern movement of the 1970s and 80s Contemporary considerations bring the third edition up to date with discussions of app design social media emojis big data visualization and the use of animated graphics in film and television The contemporary phenomenon of the citizen designer professionals who address societal issues either through or in addition to their commercial work is also addressed highlighting protagonists like Bruce Mau and the Center for Urban Pedagogy This edition also features 45 additional images an expanded introduction and epilogue and revised text throughout A newly redesigned interior reinforces the fresh contents of this now classic volume

Design Culture Guy Julier,Mads Nygaard Folkmann,Niels Peter Skou,Hans-Christian Jensen,Anders V. Munch,2019-02-21 Design culture foregrounds the relationships between the domains of design practice design production and everyday life Unlike design history and design studies it is primarily concerned with contemporary design objects and the networks between the multiple actors engaged in their shaping functioning and reproduction It acknowledges the rise of design as both a key component and a key challenge of the modern world Featuring an impressive

range of international case studies Design Culture interrogates what this emergent discipline is its methodologies its scope and its relationships with other fields of study The volume s interdisciplinary approach brings fresh thinking to this fast evolving field of study **The Elgar Companion to Valleys** Luis LM Aguiar, Donna Senese, Diana E. French, 2023-11-03 This unique Companion showcases the importance of valleys and their socio economic physical and cultural landscapes across three continents Expert scholars in the field offer a broad range of disciplinary perspectives on the topic discussing key historical and contemporary issues governing and transforming valleys
